

ENHANCING OUR CORE

CONTENTS

CORPORATE • **PROFILE**

WHO WE ARE

Avi-Tech Electronics Limited (which was renamed as Avi-Tech Electronics Pte. Ltd.) was incorporated in Singapore in 1981 and listed on the Main Board of the Singapore Exchange Securities Trading Limited in 2007. Following the successful completion of our corporate restructuring exercise in December 2021, Avi-Tech Holdings Limited is our listed entity with Avi-Tech Electronics Pte. Ltd. as our wholly-owned subsidiary.

Starting as a provider of Burn-In solutions, we have since expanded our capabilities to include manufacturing and PCBA services and engineering services. Today, we are one of the leading total solutions providers for the semiconductor, electronics, life sciences and other emerging industries. We also provide solutions for robotics in a wide range of applications including manufacturing, logistics, education, healthcare and hospitality.

OUR MARKETS

Headquartered in Singapore, our production facility is equipped with advanced burn-in systems, many of which are designed and fabricated in-house. Our customers are global leaders, including Original Equipment Manufacturers, in semiconductor automotive, networking, avionics and other industrial products. Our market presence has expanded beyond Singapore to Malaysia, Thailand, Vietnam, the Philippines, Taiwan, China, Japan, Europe and the United States.

OUR AWARDS AND ACHIEVEMENTS

Business excellence and quality assurance are of utmost importance in our business. We are proud to be one of a few local SMEs to be conferred the prestigious Singapore Quality Award by the SQA Governing Council for achieving world-class standard of performance excellence which reaffirms our already strong credentials in the international market. We also received the Singapore Quality Class award by SPRING Singapore and won the Enterprise 50 award (Ranking: 1st) by the Singapore Economic Development Board. In addition, we have achieved ISO 9001, ISO 14001 and ISO 13485 EICC certifications.

BUSINESS SEGMENTS

BURN-IN SERVICES

We provide Static Burn-In, Dynamic Burn-In, Test During Burn-In and High Power Burn-In services for semiconductor manufacturers, serving the segment of the industry that requires fail-safe or high reliability semiconductor devices including microprocessors and microcontrollers for automotive including EV, IoT, networking products and mobile devices. Our portfolio of customers spans the Asia-Pacific, Europe and the United States and includes some of the key players in the global semiconductor industry.

MANUFACTURING AND PRINTED CIRCUIT BOARD ASSEMBLY ("PCBA") SERVICES

We engage in the design, manufacture and assembly of a wide range of Burn-In boards and Automatic Test Equipment/Load boards for the various types of Burn-In systems as well as boards for other types of reliability tests such as High Temperature Operating Life Test and Highly Accelerated Stress Test. We are qualified and licensed to build Burn-In boards for high power devices. In addition, we provide industrial imaging and diagnostic solutions, design Printed Circuit Boards and provide niche PCBA Services for the medical, mobile communications, optics and aviation industries. We are constantly challenging ourselves to raise our competencies in board design and manufacturing, and assembly capabilities to meet the dynamic and increasingly sophisticated customer requirements.

ENGINEERING SERVICES

Our engineering services range from design and development to full turnkey outsourced manufacturing and system integration for semiconductor equipment and lab automation systems for the life sciences and biotech industries. We also recommend enhancements and improvements to our customers' designs and design for manufacturability as a value-added service to them.

One of our competitive strengths is the provision of system integration services for refrigeration-based High Power Burn-In Systems and Lithography Tool for semiconductor front-end applications. We have significantly expanded our engineering services in this area of specialisation since 2006. Our integration projects also include Charged Coupled Device cameras for astronomy and life sciences applications, digital imagers as well as customised Light-Emitting Diode drivers and products for various applications. In addition, we distribute and service third-party Mixed Signal Testers used in the semiconductor industry.

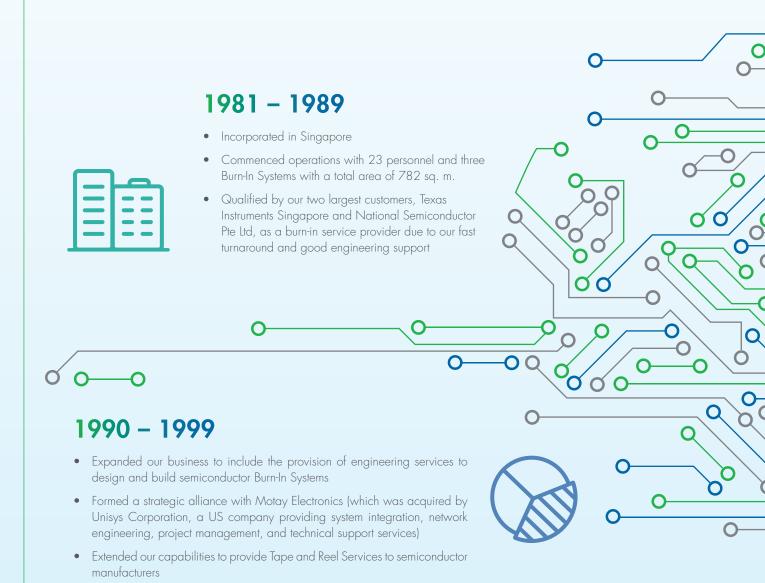

Under this segment, we also provide one-stop solutions for the design and manufacture of robotics hardware which complement navigation, fleet management and other robotics software for use in a wide range of applications including building maintenance, hospitality, healthcare, logistics and manufacturing. Some of our products included robots that would conduct continuous disinfection works in buildings, autonomous guided vehicles for transportation in warehousing and manufacturing and as well as other industrial machinery such as autonomous pallet jacks, mowers and humanoids.

CORPORATE MILESTONES AND TRACK RECORD

Our corporate history spans over 40 years starting as a provider of burn-in solutions. Since then, we have expanded our breadth of capabilities to include manufacturing and printed circuit board assembly ("PCBA") services and engineering services. Today, we are one of the leading total solutions providers for burn-in, manufacturing and PCBA, and engineering services for our global customers in the semiconductor, electronics and life sciences industries. We are proud of the many milestones and achievements we have garnered over the years.

which were designed and fabricated in-house

CORPORATE MILESTONES AND TRACK RECORD

2000 - 2010

- Expanded our services to provide distribution of third-party Burn-In and testrelated equipment for use in the semiconductor testing environment and provided Test During Burn-In services
- Initiated a new project with Unisys Corporation which significantly expanded our engineering services in the area of system integration of High Power Burn-In Systems
- Entered into an agreement with another technology partner in system integration of High Power Burn-In Systems
- Mainboard listing on the Singapore Exchange Securities Trading Limited
- Conferred the prestigious Singapore Quality Award
- Successfully ventured into the US for Burn-In Boards business and system integration for the life sciences industry
- Established subsidiary Avi-Tech, Inc. in the US to meet the upsurge in demand for Burn-In boards

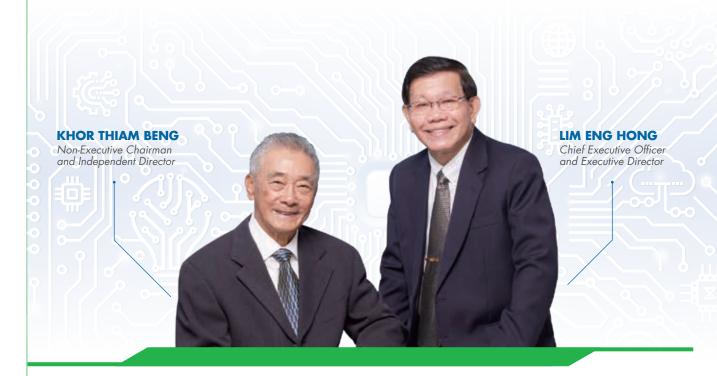

- Secured our first front-end semiconductor customer with the award of a multimillion-dollar contract for system integration of Lithography Equipment
- Attained ISO 9001:2015 (quality management systems), ISO 14001:2015 (environmental management systems) and ISO 13485:2016 (quality management systems for medical devices)
- Diversified into the provision of services for the medical, mobile communications and aviation industries
- Acquired new customers in the Digital Imaging Systems space
- Successful transfer of Burn-In business from an overseas semiconductor customer to support customer's outsourcing strategy
- Recognised by RHB Bank in their 25 Jewels 2017 for good investor returns and by online media Storm's Charger Award 2017 for strong growth prospects
- Conferred the Singapore Corporate Awards 2019 "Best Managed Board (Bronze)" award as a recognition of upholding best practices in corporate governance and transparency
- Named as one of Top Singapore Small Cap Companies in RHB 20 Jewels 2020
- Ventured into robotics, autonomous and avionics solutions

2021-2022

- Completed corporate restructuring with the adoption of Avi-Tech Holdings Limited as the listed entity and Avi-Tech Electronics Pte. Ltd. (previously Avi-Tech Electronics Limited) as its wholly-owned subsidiary to facilitate business expansion efficiencies and risk management control
- Incorporated wholly-owned subsidiary Avi-Tech Electronics (Suzhou) Limited to better support customers and enhance market presence in China

LETTER TO SHAREHOLDERS

DEAR SHAREHOLDERS

We are pleased to present the annual report of Avi-Tech Holdings Limited ("Avi-Tech" or the "Group") for the financial year ended 30 June 2022 ("FY2022").

FY2022 began promisingly with the lifting of COVID-19 restrictions and the resumption of global trade and travel following the reopening of more borders as countries transited towards living with the virus. The performance for the second half of the financial year ("2H2022"), however, was marred by the start of the Russia-Ukraine conflict in February. This aggravated the energy crisis resulting in significant spikes in electricity prices. This impacted our operations, especially our energy-intensive Burn-in Services business segment. Additionally, the conflict also disrupted the already fragile supply chains, worsening the shortage of raw material components which also impacted our operations.

Notwithstanding these challenges, the Group turned in an encouraging performance with revenue growth and profit contribution from all our business segments.

FINANCIAL PERFORMANCE

The Group's revenue increased by 5.1% to \$30.8 million in FY2022 from \$29.3 million in FY2021 due to higher revenue contributions from our Engineering Services business segment. Gross profit also increased by 3.3% to \$7.8 million in FY2022 as compared to \$7.5 million in FY2021, while the gross profit margin held steady at 25.2%.

Due to the substantial increase in electricity costs, with over \$0.6 million incurred in 2H2022, and the absence of payouts

from the COVID-19 Jobs Support Scheme which in FY2021 had amounted to \$0.6 million, the Group recorded a lower net profit of \$3.1 million in FY2022, a decrease of 9.7% from \$3.5 million in FY2021.

Segmentally, our Manufacturing and PCBA Services business segment remained our largest revenue contributor. The Engineering Services business segment performed well in FY2022 with revenue growth of 59.6% while the Burn-In Services business segment revenue was relatively stable. In terms of geographical segments, Singapore and USA continued

to be major contributors to the Group's revenue, while China's contribution increased by 57.5%.

Our balance sheet as at 30 June 2022 remained healthy with total assets of \$58.7 million against total liabilities of \$7.3 million. The Group registered positive working capital of \$40.3 million in FY2022. Cash flow-wise, we generated positive operating cash flow with an increase in cash and cash equivalents of \$1.3 million, and closed the financial year with a healthy cash balance of \$33.1 million.

LETTER TO **SHAREHOLDERS**

DIVIDEND

Given the Group's performance and taking into account the significance of distributing returns to our shareholders during these uncertain times, the Board is pleased to propose a final dividend of 1.0 cents per share. With the interim dividend of 0.75 cents per share paid out earlier in the year, the total expected dividend payout in FY2022 amounts to 1.75 cents per share. This represents a total dividend payout of \$3.0 million which is equivalent to 95.5% of the net profit for FY2022, and a dividend yield of 5.4%1.

OPERATIONAL HIGHLIGHTS

FY2022 is a year of both challenges and opportunities for Avi-Tech. There are supply chain and inflationary pressures, but also strong demand for the automotive semiconductor segment which is enjoying high structural growth due to the megatrends of mobility electrification and driverless technology.

We have been working closely with our customers to enhance our core competencies, employ new capabilities and accelerate business transformation to sustain and improve our competitive advantages. We also focused on improving productivity, optimising costs, and generating more output from our existing capacity to meet customer demand more efficiently and effectively. This is especially critical given escalating business costs, particularly electricity, which is a major component of the Burn-In Services business segment operations. In June 2022, we incorporated a whollyowned subsidiary, Avi-Tech Electronics (Suzhou) Limited, in China to expand our market footprint to better support our customer needs.

Concurrently, we are committed to achieving sustainable growth and returns by expanding our value creation through synergistic businesses and partnerships in emerging industries such as robotics solutions.

ENVIRONMENTAL, SOCIAL AND GOVERNANCE ("ESG")

We are consciously aware of how our actions impact our stakeholders including customers, suppliers, employees, the communities where we live and operate. and the global climate and environment. With this responsibility in mind, we are focused on driving changes in the areas of Customers' Standards and Compliance, People Development, a Safe and Inclusive Workplace, Caring for the Community and Environmental Impact. In terms of corporate governance and transparency, we were ranked among the top 20% out of 519 listed companies in the Singapore Governance and Transparency Index 2021. This year, we continued striving to improve our sustainability efforts, in line with the SGX Sustainability Reporting Company Scorecard findings. Please refer to our Sustainability Report which sets out in greater detail our ESG efforts.

Apart from ESG topics, SGX's mandatory reporting to provide climate-related disclosures based on recommendations of the Task Force on Climate-related Financial Disclosures ("TCFD") will come into effect. Aligning with SGX's roadmap to mitigate the effects of climate change and transit to a lower-carbon economy, we are now actively reviewing and exploring emission reduction measures which will be published in the next financial year.

CORPORATE DEVELOPMENT

In December 2021, Avi-Tech completed its corporate restructuring exercise with the adoption of Avi-Tech Holdings Limited as the listed entity and sole shareholder of Avi-Tech Electronics Limited (now renamed as Avi-Tech Electronics Pte. Ltd). We thank shareholders for their support which afforded the Group more efficiencies and options in terms of safeguarding cash assets and ringfencing risk exposure when seeking business expansion and investment.

BOARD RENEWAL

Mr Khor Thiam Beng has expressed his wish to retire from his position as an Independent Director and the Non-Executive Chairman of the Group, effective after the conclusion of the forthcoming AGM. Mr Khor has been instrumental in leading our Board since Avi-Tech Electronics Limited's listing on the SGX-ST in 2007. The Board would like to convey our deepest appreciation for his invaluable guidance and contribution over the years.

In line with the progressive renewal of the Board, the Group has been reviewing new candidates, both for succession planning and to ensure that the existing skills, knowledge, and experience of Directors individually and the Board collectively remain relevant. The Nominating Committee has recommended and the Board has approved Mr Chan Yu Meng to be appointed as an Independent Director, subject to shareholders' approval at the upcoming AGM. A lawyer by training with over 20 years of experience in corporate and legal advisory work, Mr Chan will bring fresh perspectives and add diversity to the Board.

OUTLOOK

In Singapore, the Ministry of Trade and Industry had narrowed its GDP growth forecast (originally between 3% to 5%) for 2022 to 3% to 4% owing to downside risks². Globally, the economic outlook remains cloudy given challenges such as geopolitical tensions, inflationary pressures, interest rates hikes and the evolution of the COVID-19 pandemic, all of which may continue to weigh on the supply chain and dampen demand and recovery. Specifically, the ongoing energy crisis continues to pose challenges for our operations where electricity is the main component of our production. To this end, we have been working closely with our customers to mitigate the situation where relevant and appropriate.

Despite these challenges, there are silver linings on the horizon.

LETTER TO SHAREHOLDERS

For the semiconductor industry, research group Gartner had projected that the segment would grow by 7.4% in 2022 to US\$640 billion compared to US\$595 billion in 20213. The growth drivers include demand from the data centre segment driven by accelerated digital transformation, cloud and IoT applications. In addition, the automotive electronics segment which we served is also projected to continue recording double-digit growth over the next three years as semiconductor content per vehicle will increase due to the transition to electric and autonomous vehicles. The semiconductor content per vehicle is projected to increase from \$712 in 2022 to \$931 in 2025.

In summary, while the global economy continues to be volatile, we remain hopeful of business opportunities, especially with our healthy balance sheet.

Going forward, the Group will remain focused on enhancing our core businesses by becoming better and faster. We will continue to steadfastly build and expand our business model in the spirit of our founding values of Advancement through Technology, Value-Added & Customer-Centred Service, and Innovation, which have faithfully guided us through the past 41 years.

At the same time, we will leverage global opportunities afforded by digital transformation, vehicle electrification, autonomous driving and smart technologies to capture growth from these favourable megatrends by exploring new collaborations, including mergers and acquisitions or new partnerships, to deliver long-term sustainable returns to shareholders.

APPRECIATION

As we begin the new financial year, we will continue to make decisions in the best interests of the Group, and deliver long-term value and sustainable returns for our shareholders. We are honoured that our shareholders have chosen to join us on our journey, and we are also grateful to our Board, staff and business partners for their hard work and contributions.

MR LIM TAI MENG ALVIN

Chief Operating Officer and Executive Director

Background and Working Experience

Mr Lim Tai Meng Alvin was appointed as Executive Director of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd) on 1 August 2018. He is also the Group's Chief Operating Officer. He joined the Group in 2002 and is responsible for overseeing the Group's operations for Burn-In Services, Manufacturing and PCBA Services and Engineering Services. Mr Lim also develops the competitive positioning and strategies of the Group and manages the sales, marketing and business development functions. Mr Lim was the Chief Operating Officer (USA Operations) from 2009 to 2011 and was responsible for strategising and promoting the Group's business in the market. Mr Lim started as a Sales Engineer with the Group, responsible for the sales and marketing team for test equipment and sockets. He was subsequently promoted to Section Manager in the Engineering Services division to manage the manufacturing of System Level Test (SLT), Hybrid System Test (HST) thermal trays and Fusion System build to meet customers' needs, and thereafter became a Special Project Manager. With his vast experience in managing operations, Mr Lim was later promoted to oversee the Manufacturing and PCBA Services division, and Engineering Services manufacturing operations. In May 2013, Mr Lim was appointed Chief Operating Officer of the Group.

EXECUTIVE MANAGEMENT

MR JOSEPH WANG NIN CHOON

Chief Financial Officer

Mr Joseph Wang is our Chief Financial Officer. He oversees and manages our Group financial and accounting functions in addition to risk management.

Mr Wang has more than 23 years of finance, corporate treasury management, corporate banking, global market and investment banking experience. Over the course of his career, he has held senior roles as Chief Financial Officer, Treasurer and Vice President of SGX-listed entities and Singapore Temasek linked companies such as Top Global, ST Engineering, PSA International and Singapore Technologies. He has strong banking experience, having held senior roles at Barclays Capital (Barclays Bank) and Deutsche Bank as their Vice President for client management.

In Mr Wang's previous executive roles, he was responsible for finance, corporate treasury, investments, SGX-ST reporting, planning, developing and implementing business strategies across the organisations. While with the banks, he was responsible for supporting corporate clients with a wide range of financial services and products including acquisition financing, capital market financing, loan syndications, treasury and general advisory work; to assist them effectively to manage their corporate financial risks and funding requirements.

Mr Wang holds a Bachelor of Arts (Economics) degree from Simon Fraser University, British Columbia, Canada.

MR LAU TOON HAI

Vice President of Quality Assurance

Mr Lau Toon Hai is our Vice President of Quality Assurance. He joined our Group in 1994 and is responsible for setting up and maintaining a functional quality organisation and Business Excellence System for our Group. Areas falling under his duties and responsibilities include overseeing the quality assurance aspects of our entire Group and driving our Group's Business Excellence Management System to keep alongside with current industrial and commercial standards such as Business Excellence, Responsible Business Alliance, Quality, Environmental management system and our customers' requirements.

Mr Lau has over 20 years of experience in the electronics engineering industry. Prior to joining our Group, he worked with companies such as Philips (S) Pte Ltd, Archive (S) Pte Ltd and Conner Peripherals (S) Pte Ltd.

Mr Lau holds a Diploma in Electronics and Communications Engineering from the Singapore Polytechnic.

MR ALLAN NGO YU WEI

Director of Operations (Manufacturing)

Mr Allan Ngo is our Director of Operations (Manufacturing). He joined our Group in 2003 and is responsible for our operations related to Manufacturing and Printed Circuit Board Assembly Services ("PCBA") as well as Engineering Services.

Mr Ngo was in charge of the Burn-In Board Manufacturing Services division where he was the Production Manager managing the planning, process, manufacturing and logistics operations of the department. He was promoted to Director of Operations (Manufacturing), overseeing the operational aspects of Supply Chain Management, Manufacturing and PCBA Services and Engineering Services.

Mr Ngo holds a Diploma in Electronics, Computer and Communication Engineering from Nanyang Polytechnic, Singapore, and a Bachelor of Science degree in Business from Singapore University of Social Sciences.

MR BAMBANG HANDOKO SUTEDJO

Director of Sales

Mr Bambang Handoko Sutedjo is our Director of Sales. He joined our Group in 1993 and is responsible for the sales and marketing of Burn-In Services and Manufacturing and PCBA Services, both locally and overseas. Mr Sutedjo is also in charge of the Manufacturing and PCBA Services design team.

Mr Sutedjo has more than 20 years of experience in the semiconductor industry. He was previously the Senior Manager of Sales and Marketing of our Group, responsible for the management of Burn-In Board Manufacturing-related division's local and overseas sales. Prior to joining our Group, he was a Field Service Engineer with SETA Corporation in Charlotte, North Carolina, USA.

Mr Sutedjo holds a Bachelor of Science in Electrical Engineering degree from the Tennessee Technological University of Cookeville, Tennessee, USA.

MR DESMOND OW YANG CHIEN KHANG

Director of Operations (Services)

Mr Desmond Ow Yang is our Director of Operations (Services). He joined our Group in 1999 and oversees the Group's Burn-In operations. Mr Ow Yang is also responsible for the production, planning, engineering and maintenance support of the Group and is the lead auditor for ISO 9001 and internal auditor for ISO 14001 certifications.

Mr Ow Yang started as a Burn-In Engineer with our Group and was in charge of the set up and introduction of new products and processes in Burn-In operations to meet customers' requirements. He was promoted to Senior Engineer and subsequently, Engineering Manager, to manage the Engineering team in providing technical solutions and support to customers. During that period, he was also responsible for Sales and Customer Services for Burn-In Services, Tape and Reel, Visual Inspection and other services, for both local and overseas customers.

Mr Ow Yang holds a Bachelor of Engineering (Honours) degree from the University of Aberdeen, United Kingdom.

OPERATIONS REVIEW AND SUSTAINABILITY

BURN-IN SERVICES

The Burn-In Services business segment contributed 20.6% of the Group's revenue for the financial year ended 30 June 2022 ("FY2022") as compared to 22.7% for the financial year ended 30 June 2021 ("FY2021"). Revenue was 6% lower at \$6.3 million as compared to \$6.7 million in FY2021, following disruptions in demand for burn-in services arising from automotive semiconductor chip shortage.

Although global demand has increased towards the end of 2021 following the recovery of the global economy, the Russia-Ukraine conflict which started in early 2022 led to a significant surge in electricity costs. This impacted our operations which is energy-reliant. As a result, a key priority was to manage and lower our production costs through the aggressive implementation of energy saving initiatives and driving productivity. These included the adoption of more energy efficient process equipment and facilities as well as optimising equipment utilisation through greater deployment of automation.

We continued to stay close to our customers to better support their needs. We upgraded our existing equipment with advanced features and improved capabilities to meet the increasing complex requirements of our customers with their evolving technologies in the semiconductor space. We also provided our services to customers who transferred

some of their Burn-In and Test services products to Singapore in line with their long-term market strategy. Additionally, we helped customers to build and upgrade their hardware and undertook maintenance services for their Burn-In equipment.

In keeping with the stringent quality and changing technical requirements of our customers, training remained the mainstay of our operations. With the improvement in the COVID-19 situation, we resumed sending our staff for external courses to upgrade and acquire new skillsets to deepen and widen their capabilities, such as the lead audit certification for ISO9001 quality

standard which is critical for our Burn-In and Test solutions.

In spite of the near-term challenges, the prospects for our business segment remains positive, driven by the growth in electrification of vehicles and autonomous driving which will lead to a higher demand for automotive semiconductor devices. We will continue to closely monitor developments in our industry and make the necessary adjustments to our operations. Of immediate priority is to address the high cost of electricity and to this end, we will work with our customers, suppliers and government authorities to mitigate the impact. Other on-going priorities included the ramp up of automation, productivity enhancements and staff training and development.

MANUFACTURING AND PCBA SERVICES

The Manufacturing and PCBA services business segment contributed 55.1% of the Group's revenue in FY2022 as compared to 61.2% in FY2021. The business segment remained the Group's largest revenue contributor with \$17.0 million in FY2022 as compared to \$17.9 million in FY2021.

Although demand for our services remained strong, the Russia-Ukraine conflict has worsened the already fragile supply chain and led to unprecedented challenges in securing many electronic components, some of which are key to our manufacturing process. Our

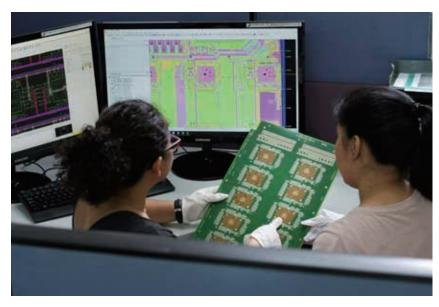

OPERATIONS REVIEW AND SUSTAINABILITY

production delivery lead time was also impacted as a result of the supply chain constraints.

In terms of market expansion, we continued to gain traction in the Greater China region, having achieved qualification and started production builds for new customers in the networking segment last year. As we ramp up sales activities to secure more orders, we incorporated a new subsidiary, Avi-Tech Electronics (Suzhou) Limited, in China this year to better provide marketing, design and field service technical support.

We continued to reap the benefits of increased automation with the roll-out of our smart manufacturing management software and SAP system previously. This year, we made further investments in automation to improve our cost efficiency and productivity, and to ensure greater quality consistency. We are currently setting up a new advanced manufacturing line which will further increase our automation rate. The advanced manufacturing line also boosted our capabilities as we are able to undertake projects with complex PCBA requirements from extremely small components to large-dimension PCBs.

With greater automation deployment, we are able to optimise our manpower and to enable our staff to focus on more value-added activities. Even as we invest in manufacturing hardware, we continue to commit resources to upskill our staff to enhance their capabilities and industrial

knowledge in keeping with the market's increasing sophisticated products with growing technical requirements.

We remain optimistic of the prospects for our services and solutions on the back of the growing demand for our customers products in networking, telecommunications and aviation. In the year ahead, we will continue to work closely with our suppliers to source, manage and stock up inventories of critical components to shorten the lead time. We will also focus on upgrading our hardware and expanding our staff competencies to stay ahead. In addition, we will continue to boost our competitiveness by lowering our overall production costs through automation

deployment and other cost savings initiatives such as reducing raw materials wastage and recycling and sensors installation at the production floor. Another key focus will be to expand our China team to acquire more customers in the Greater China market.

ENGINEERING SERVICES

The Engineering Services business segment contributed 24.3% of the Group's revenue in FY2022 as compared to 16.1% in FY2021. The business segment's revenue grew 59.6% to \$7.5 million in FY2022 as compared to \$4.7 million in FY2021. This was on account of the sustained strong demand stemming from the previous year which continued in FY2022.

With our strengths in design and development, outsourced manufacturing and system integration, we continued to work on existing and new module builds for current customers in the year. We were also awarded projects such as providing OEM equipment build for a new Chinese customer and manufacturing high-end lighting solutions for a new US customer. In addition, we stepped up our sales and marketing efforts and are exploring outsourced manufacturing opportunities for a leading local technology group.

In FY2022, we also made initial headway for our robotic solutions and autonomous systems with the launch of Navant Solutions NS-100 Autonomous Manoeuvrable Robot for a local institute of higher learning. We also launched

OPERATIONS REVIEW AND SUSTAINABILITY

Navant Solutions' Seirios RNS, a smart and intuitive robotics navigation software using sensor technology.

semiconductor industry has undergone major consolidation as companies strove to offer their customers more robust products, especially with the emergence of new semiconductor use cases in 5G, artificial intelligence, automotive and electric vehicles and IoT. This would be advantageous to us as we will be able to capitalise on opportunities to offer our services to our customers' various manufacturing sites across different countries. It would also expand our value chain by providing more solutions as they expand their product portfolios and markets. Additionally, this enables us to increase our collective buying power for raw materials and capacity which is particularly crucial with the supply chain constraints due to the COVID-19 situation, worsened by the Russia-Ukraine conflict. With the ongoing US-China trade impasse, there may also be emerging prospects from companies relocating or outsourcing manufacturing activities to Singapore as their country of origin. We will continue to deepen and expand our manufacturing and engineering capabilities and to leverage on the favourable industry trends to grow our revenue and widen our customer base.

CORPORATE DEVELOPMENT AND SUSTAINABILITY

We maintained a diverse workforce which comprises 131 staff of different races, nationalities, age group and gender in our headquarters in Singapore

and in our support office in China. In Singapore, our female workforce comprises approximately 52% of the total workforce and the average age of our employees was approximately 46.22 years. We support the government's policy of rehiring retiring employees to keep them economically active. In FY2022, we rehired eight retiring employees.

Employee training and education remains a key component of our people management. We develop our people according to their abilities and job specifications. We continued with our training and development programmes such as AIAG VDA Process (PFMEA) for our QA Engineers. Management staff are encouraged to upgrade their skills through courses provided by external training providers such as Workforce Skills Qualification ("WSQ") and

Integrated Assessment Pathway ("IAP"). In FY2022, two managerial staff were given training opportunities which included ISO9001 Lead Auditor Course. staff attained Non-managerial workplace-endorsed qualifications such as through IAP as well as lifesaving courses such as Occupational First Aid and Automated External Defibrillator. Our production staff also underwent twice-yearly re-certification. In the year, we maintained the following international certifications: ISO 13485:2016 systems for (quality management s medical devices), ISO 9001:2015 (quality management systems) and ISO 14001:2015 (environmental management systems).

We continued to engage our staff through weekly "Walk-the-lines" sessions to get a better understanding of their concerns. Long Service Awards were also handed out to express our appreciation for staff loyalty and contributions through the year.

In terms of community relations, we supported Bright Vision Hospital for the eighth consecutive year. Bright Vision Hospital is a 317-bed community hospital offering intermediate and long-term holistic care for about 1,500 new patients each year. To prevent transmission of the COVID-19 virus to vulnerable patients, we did not conduct any in-person activities but provided financial assistance.

Please refer to our Sustainability Report uploaded on our website http://avitech.listedcompany.com/ for more details on our corporate social responsibility and sustainability efforts.

BALANCE SHEET (\$'M)

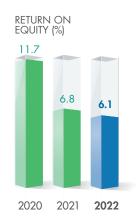

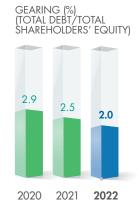

KEY FINANCIAL RATIOS

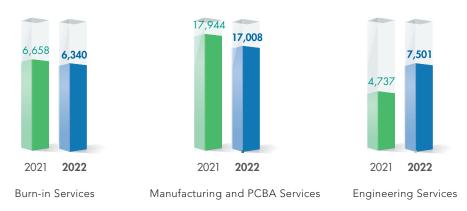

CONSOLIDATED FINANCIAL PERFORMANCE (\$'000)

	FY2022	FY2021	Change %
Revenue	30,849	29,339	5.1
Cost of sales	(23,064)	(21,801)	5.8
Gross profit	7,785	7,538	3.3
Share of loss of associate	(42)	(90)	(53.3)
Administrative expenses	(4,769)	(4,579)	4.1
Profit before income tax	3,661	4,192	(12.7)
Income tax expense	(520)	(712)	(27.0)
Profit for the year	3,141	3,480	(9.7)

REVENUE BY BUSINESS SEGMENTS (\$'000)

In FY2022, the Group reported revenue of \$30.8 million, an increase of \$1.5 million or 5.1% as compared to \$29.3 million in FY2021.

The Burn-In Services business segment registered revenue of \$6.3 million in FY2022 as compared to revenue of \$6.7 million in FY2021.

The Manufacturing and PCBA Services business segment which remained as the largest contributor to the Group revenue, registered revenue of \$17.0 million in FY2022 as compared to revenue of \$17.9 million in FY2021.

The Engineering Services business segment registered higher revenue of \$7.5 million in FY2022 as compared to revenue of \$4.7 million in FY2021. The growth in revenue is attributed to the higher sales from key customers.

• FINANCIAL REVIEW

COST OF SALES (\$'000)

	FY2022	FY2021	Change %
Cost of sales	23,064	21,801	5.8
Included in cost of sales:			
Cost of material and equipment	15,218	14,112	7.8
Salary and related cost	5,247	5,491	(4.4)
Depreciation	471	534	(11.8)
Electricity	974	435	123.9
Other direct overheads	1,154	1,229	(6.1)

GROSS PROFIT (\$'000)

	FY2022	FY2021	Change %
Gross Profit	7,785	7,538	3.3
Gross Margin	25.2%	25.7%	(1.9)

The Group reported gross profit of \$7.8 million in FY2022, an increase of \$0.3 million or 3.3% as compared to \$7.5 million in FY2021.

Despite the energy crisis leading to the substantial increase in electricity cost in 2H2022, the Group's gross profit had increased in FY2022 as compared to FY2021, which was attributed mainly to increased sales from the Engineering Services business segment.

ADMINISTRATIVE EXPENSES (\$'000)

	FY2022	FY2021	Change %
Administrative expenses	4,769	4,579	4.1
Included in administrative expenses:			
Salary and related cost	2,292	2,337	(1.9)
Foreign currency exchange (gain) loss – net	(153)	192	n.m.*
Impairment loss on associate	168	_	n.m.*
Electricity	204	159	28.3
Depreciation	755	721	4.7

^{*} Not meaningful

Administrative expenses remained constant at \$4.8 million as compared to FY2021.

PROFIT FOR THE YEAR (\$'000)

	FY2022	FY2021	Change %
Profit before income tax	3,661	4,192	(12.7)
Income tax expense	(520)	(712)	(27.0)
Profit for the year	3,141	3,480	(9.7)

The Group reported a profit of \$3.1 million in FY2022, a decrease of \$0.4 million or 9.7% as compared to \$3.5 million in FY2021.

The decrease in profit for FY2022 as compared to FY2021 was due to the energy crisis in 2H2022 resulting in \$0.6 million increased in electricity costs in addition to the absence of grants amounting to \$0.6 million from the Jobs Support Scheme compared to FY2021.

LIQUIDITY AND CAPITAL RESOURCES (\$'000)

	FY2022	FY2021	Change %
Cash flow from:			
Operating activities	2,295	1,601	43.3
Investing activities	2,238	7,278	(69.2)
Financing activities	(3,230)	(3,684)	(12.3)
Net change in cash and cash equivalents	1,303	5,195	(74.9)
Cash and cash equivalents at end of year	17,118	15,815	8.2

The Group generated net cash from operating activities of \$2.3 million in FY2022. This was primarily due to the profit generated for the year.

Net cash from investing activities was \$2.2 million, which was mainly attributed to the withdrawal of fixed deposits placed with financial institutions over three (3)-month tenures. Net cash used in financing activities was \$3.2 million which was primarily due to the dividend paid.

There was an increase in cash and cash equivalents of \$1.3 million in FY2022.

The Group closed FY2022 with cash and cash equivalents of \$17.1 million.

GOVERNANCE REPORT

The Board is committed to setting and maintaining high standards of corporate governance to preserve and enhance the interests of all shareholders. The Board has adopted the recommendations of the Code of Corporate Governance 2018 (the "Code").

This report describes the Company's corporate governance processes and activities with specific reference to each of the principles and provisions set out in the Code. The Group has materially complied with all the provisions set out in the Code. In areas where the Company's practices vary from any of the provisions of the Code, we have provided the reasons for the variation and explain how the practices the Company has adopted are consistent with the intent of the relevant principle, where appropriate.

BOARD M	ATTERS: THE BOARD'S CONDUCT OF	AFFAIRS
Principle		
1.	The company is headed by an effect for the long-term success of the con	tive Board which is collectively responsible and works with Management
Provision		Disclosure
1.1	Directors are fiduciaries who act objectively in the best interests of the company and hold Management accountable for performance. The Board puts in place a code of conduct and ethics, sets appropriate tone-from-the-top and desired organisational culture, and ensures proper accountability within the company.	All our Directors are tasked to objectively discharge their duties and responsibilities at all times as fiduciaries in the interests of the Company. The Board has established and functions within a defined set of terms and reference and procedures. According to the Board's terms of reference, the Board has established a clear policy or conflicts of interest in the Company's Directors' Manual, which provides instructions on the duty to avoid conflicts of interest and to give disclosure of conflicting interest, where necessary. The terms
	Directors facing conflicts of interest recuse themselves from discussions and decisions involving the issues of conflict.	of reference also provide that a Director facing conflicts of interes should not vote on the matter under discussion and should recuse himself from the portion of the meeting where there is a potentia conflict. A Director should not be counted towards the quorum or any meeting for any resolution where he is recused or debarred from voting.
		To achieve a high standard of corporate governance, the Company has also implemented a business ethics policy, which establishes the Company's ethical business practice and outlines fundamental principles of ethical business behaviour and the responsibilities of all employees and Company representatives in aligning with them. The Company has also adopted the Responsible Business Alliance (RBA) Supplier Code of Conduct as a corporate social responsibility model in delivering the highlighted standard of product quality and business integrity in dealing with suppliers, subcontractors and other service providers. Please refer to the Company's sustainability report

CORPORATE GOVERNANCE REPORT

Directors understand the company's business as well as their directorship duties (including their roles as executive, non-executive and independent directors). Directors are provided with opportunities to develop and maintain their skills and knowledge at the company's expense. The induction, training and development provided to new and existing directors are disclosed in the company's annual report.

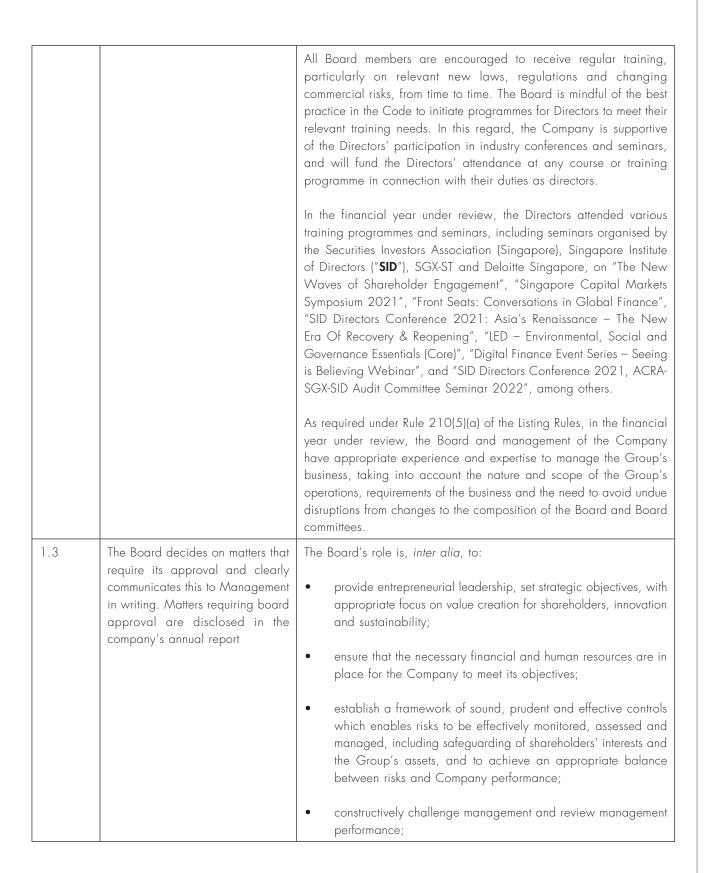

1.2

The Board ensures that all incoming directors receive a comprehensive and tailored induction on joining the Board, including briefing them on their duties as a director (including the differences in roles as an (i) executive director which is to, inter alia, provide insights on the Company's day-to-day operations, and provide management's views without undermining management accountability to the Board, as a (ii) non-executive director which is to, inter alia, constructively challenge management and help develop proposals on strategy, and as an (iii) independent director, which is to, inter alia, provide an independent and objective check on management) and how to discharge those duties, and an orientation programme to ensure that they are familiar with the Group's business and governance practices. The Company also provides training for any new firsttime director (who has no prior experience as a director in a listed company) in areas such as accounting, legal and industry-specific knowledge as appropriate. All new first-time directors (who have no prior experience as a director in a listed company on the Singapore Exchange Securities Trading Limited ("SGX-ST") must undergo training in the roles and responsibilities of a director of a listed issuer as prescribed by the SGX-ST.

Upon the appointment of any new director, the Company will provide a formal letter to the director, setting out the director's duties and obligations.

With the objective of enhancing corporate performance and accountability, as well as protecting the interests of stakeholders, the Board has also taken adequate steps to ensure compliance with legislative and regulatory requirements, including requirements under the Listing Manual of the SGX-ST (the "Listing Rules"), by establishing written policies where appropriate. The Independent Directors in consultation with management will request for management's consideration for the establishment of written policies for any particular matter that is deemed to be essential to form part of management control. The Board also reviews legislation and regulatory compliance reports from management to ensure that the Group complies with the relevant regulatory requirements, including requirements under the Listing Rules, with the assistance of the Group's legal advisors. Pursuant thereto and in accordance with the Board's terms of reference, the Board has developed a Directors' Manual that sets out a director's primary and material duties at law, which includes acting in good faith and the best interests of the Company; exercising due care, skills and diligence; and avoiding conflicts of interest.

GOVERNANCE REPORT

CORPORATE GOVERNANCE REPORT

- identify the key stakeholder groups, ensure transparency and accountability to key stakeholder groups and recognise that their perceptions affect the Company's reputation; and
- set and instil the Company's corporate culture of values and standards (including ethical standards) and ensure that the Company's values, standards, policies, practices and obligations to shareholders and other stakeholders are consistent with the Company's corporate culture and such culture is understood and met.

The Board's terms of reference have set forth the following matters which are specifically reserved to the Board for approval:

- material acquisitions and disposal of assets;
- corporate or financial restructuring;
- share issuances (including stock options or other equity awards), dividends and other capital transactions and returns to shareholders;
- approval of annual audited financial statements for the Group and the Directors' Statement thereto;
- any public reports or press releases reporting the results of operations; and
- matters involving an actual or potential conflict of interest involving a substantial shareholder or a director.

Clear directions have also been given to management that such matters must be approved by the Board.

Board committees, including Executive Committees (if any), are formed with clear written terms of reference setting out their compositions, authorities and duties, including reporting back to the Board. The names of the committee members, the terms of reference, any delegation of the Board's authority to make decisions, and a summary of each committee's activities, are disclosed in the company's annual report.

In accordance with the Code, the Board has, without abdicating its responsibility, established Board committees to assist the Board in discharging its responsibilities and to enhance the Group's corporate governance framework.

The Board committees comprise the Audit and Risk Committee ("ARC"), the Nominating Committee ("NC") and the Remuneration Committee ("RC"), which have been delegated with specific authority. Each Board committee has written terms of reference which clearly set out the authority and duties of the committees, and functions within its own defined terms of reference and procedures. All committees are chaired by an independent Non-Executive Director. All Board members objectively make decisions in the interests of the Company. The composition and the terms of reference and description of each Board committee, any delegation of the Board's authority to make decisions to the Board committees, and a summary of the activities of each Board committee are set out in this report.

1.4

CORPORATE • **GOVERNANCE REPORT**

Directors attend and actively participate in Board and board committee meetings. The number of such meetings and each individual director's attendances at such meetings are disclosed in the company's annual report. Directors with multiple board representations ensure that sufficient time and attention are given to the affairs of each company.

1.5

The Board conducts regularly scheduled meetings for the first and third quarter of the financial year to receive updates on significant business activities and the overall business environment, in addition to the half-yearly meetings which coincide with the announcement of the Group's half-year and full-year results respectively. Adhoc meetings will be held as and when required to address any significant issues that may arise. The constitution of the Company (the "Constitution") provides for meetings of directors to be held via conference telephone, videoconferencing or other means of similar communications equipment whereby all persons participating in the meeting can hear each other. Non-Executive Directors are also encouraged to communicate amongst themselves, and with the Company's auditors and legal advisors without the presence of the Executive Director(s) and management.

Details of each Director's attendance at the Board and Board committee meetings held for the financial year under review are summarised in the table below:1

Meetings of	Board	Audit and Risk Committee	Nominating Committee	Remuneration Committee
Total held in FY2022	4	4	2	2
Khor Thiam Beng	4	4	2	2
Lim Eng Hong	4	4	2	2
Lim Tai Meng Alvin	4	4	2	2
Goh Chung Meng	4	4	2	2
Michael Grenville Gray	4	4	2	2

As Executive Directors, both Mr Lim Eng Hong and Mr Lim Tai Meng Alvin attend the meetings of the ARC, the NC and the RC, by invitation.

Directors with multiple board representations have ensured that sufficient time and attention are given to the affairs of the Company in order to fulfil their responsibilities and duties to the Company and its Shareholders.

Includes meetings of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to our corporate restructuring exercise in 2021.

CORPORATE GOVERNANCE REPORT

1.6 Management provides directors with complete, adequate and timely information prior to meetings and on an on-going basis to enable them to make informed decisions and discharge their duties and responsibilities.

Management recognises that the flow of complete, adequate and timely information on an ongoing basis to the Board is essential to the Board's effective and efficient discharge of its duties. Management provides all members of the Board with management accounts, consisting of, amongst other things, the consolidated profit and loss accounts, analysis of sales, operating profit, pre-tax and attributable profit with variance analyses, so as to present a balanced and informed assessment of the Company's and Group's performance, position and prospects on a monthly basis and as the Board may require from time to time. Such reports enable the Directors to keep abreast of the Group's operating and financial performance and position. Any material variances between the projections and actual results are disclosed and explained. As and when the circumstances require, the Board can request management to provide the necessary explanation and/or information on the management accounts of the Group.

The Chief Financial Officer ("CFO") also provides each member of the Board with appropriate financial accounts and other information detailing the Group's performance, financial position and prospects on a regular basis and provides the Board with meeting and presentation materials in advance of each meeting unless doing so would be deemed to compromise the confidentiality of highly sensitive information. Further enquiries may be made by the Directors to discharge their duties properly. The information provided by the CFO includes Board papers and related materials, background or explanatory information relating to matters to be brought before the Board, copies of disclosure documents, budgets, forecasts and monthly internal financial statements. In respect of budgets, any material variance between the projections and actual results is disclosed and explained. The CFO and outside professionals may also be invited to attend the meetings to provide further insight on specific matters or respond to queries from the Directors.

1.7

Directors have separate and independent access to Management, the company secretary, and external advisers (where necessary) at the company's expense. The appointment and removal of the company secretary is a decision of the Board as a whole

The Directors have separate and independent access to the Company's senior management. The Board is also entitled to request from senior management and is, upon making such request, provided with such additional information needed to make informed decisions. Management provides such additional information to the Board in a timely manner.

The Directors also have separate and independent access to the Company Secretary and can seek independent professional advice and assistance from the Company Secretary or external advisers if necessary, and the cost of such advice and assistance will be borne by the Company.

GOVERNANCE REPORT

	1	
		The Company Secretary (or his authorised representatives) provides secretarial support to the Board and the responsibilities of the Company Secretary include:
		advising the Board on all governance matters;
		attending all Board and Board committee meetings and preparing the minutes of these meetings;
		 ensuring adherence to Board procedures and compliance with relevant Singapore rules and regulations applicable to the Company. Where such rules and regulations relate to foreign jurisdictions, the Company Secretary facilitates liaison between foreign advisors and the Board;
		working with management to ensure good information flows within the Board and the Board committees and between senior management and Non-Executive Directors; and
		facilitating orientation and assisting with professional development as required.
		The appointment and removal of the Company Secretary is a matter for the Board to decide as a whole.
BOARD CO	OMPOSITION AND GUIDANCE	
Principle		
2.		rel of independence and diversity of thought and background in its ecisions in the best interests of the company.
Provision		Disclosure
2.1	An "independent" director is one who is independent in conduct, character and judgement, and has no relationship with the company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement in the best interests of the company.	More than one-third of the Board is made up of Independent Directors who offer alternative views of the Group's business and corporate activities. The Board has at least 2 Non-Executive Directors who are independent and free of any material business or financial connection with the Company. There is a strong and independent element on the Board, capable of exercising objective judgement on corporate affairs independently of the Group. The Board's views and opinions often provide different perspectives to the Group's business. No individual or small group of individuals dominates the Board's decision-making.
		The independence of each Independent Director is reviewed and determined by the NC annually with reference to Rule 210(5)(d)(i), (ii) and (iii) of the Listing Rules and also based on guidelines set forth in the Code and the individual Director's declaration.

CORPORATE GOVERNANCE REPORT

Each Director is requested to disclose to the Board if there is any relationship with the Company, its related corporations, its 5% shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Director's independent business judgement in the best interests of the Company (the "Associated Relationships"), as and when it arises.

Each of Mr Khor Thiam Beng, Mr Michael Grenville Gray and Mr Goh Chung Meng has also disclosed that he is not, nor has any of his immediate family members:

- (i) in the current financial year or immediate past financial year, provided to or received from the Company or any of its subsidiaries any significant payment or material services (which may include auditing, banking, consulting and legal services), where such payments or services aggregated over any financial year is or was in excess of \$\$50,000, other than Directors' fees received by Mr Khor Thiam Beng, Mr Michael Grenville Gray and Mr Goh Chung Meng (after obtaining shareholders' approval) for board service; and
- (ii) in the current financial year or immediate past financial year, is or was a substantial shareholder or a partner in (with 5% or more stake), or an executive officer of, or a director of, any organisation which provided to or received from the Company or any of its subsidiaries any significant payments or material services (which may include auditing, banking, consulting and legal services), such payments or services aggregated over any financial year is or was in excess of \$\$200,000.

Each of Mr Khor Thiam Beng, Mr Michael Grenville Gray and Mr Goh Chung Meng has also disclosed that:

- (a) he is not, and has not been employed by the Company or any of its related corporations for the current financial year or any of the past 3 financial years; and
- (b) none of his immediate family members are or have been employed by the Company or any of its related corporations for the current financial year or any of the past 3 financial years, and whose remuneration is or was determined by the RC of the Company.

GOVERNANCE REPORT

In this report, the term "**immediate family**" shall carry the same meaning as defined in the Listing Rules.

Each of Mr Khor Thiam Beng, Mr Michael Grenville Gray and Mr Goh Chung Meng has served on the Board for more than 9 years from the respective date of his first appointment.² As such, the Board rigorously reviewed their independence in conduct, character and judgement, including determining whether any of the Directors have any Associated Relationships. This review included an assessment by all the other members of the Board of the independence of judgement of Mr Khor Thiam Beng, Mr Michael Grenville Gray and Mr Goh Chung Meng, in view that they have each served on the Board for more than 9 years. The Board also took into consideration and is highly conscious that these Directors have in their conduct and in the discharge of their duties throughout their respective appointments, continuously and constructively challenged management on business decisions, continued to demonstrate strong independence in character and judgement and have remained objective in the discharge of their respective duties and responsibilities.

The continued appointment of Mr Michael Grenville Gray and Mr Goh Chung Meng as independent directors had been sought and approved in separate resolutions by (A) all shareholders; and (B) shareholders, excluding the directors and the chief executive officer of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.), and associates of such directors and chief executive officer pursuant to Rule 210(5)(d)(iii) of the Listing Rules at the annual general meeting of Avi-Tech Electronics Limited held on 29 October 2020, such resolutions remaining in force until the earlier of their retirement or resignation as a director or the conclusion of the third annual general meeting following the passing of such resolutions.

The continued appointment of Mr Khor Thiam Beng as an independent director had been sought and approved in separate resolutions by (A) all shareholders; and (B) shareholders, excluding the directors and the chief executive officer of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.), and associates of such directors and chief executive officer pursuant to Rule 210(5)(d)(iii) of the Listing Rules at the annual general meeting of Avi-Tech Electronics Limited held on 28 October 2021, such resolutions remaining in force until the earlier of his retirement or resignation as a director or the conclusion of the third annual general meeting following the passing of such resolutions.

Including the time period in which Mr Khor Thiam Beng, Mr Michael Grenville Gray and Mr Goh Chung Meng had served on the board of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to our corporate restructuring exercise in 2021.

CORPORATE GOVERNANCE REPORT

It is a requirement of the Code that the Board should state its reasons if it determines that a director is independent notwithstanding the existence of an Associated Relationship. After taking into consideration the views of the NC, and the Board's review which determined that none of these Directors has any Associated Relationships and that none of the circumstances stated in Rule 210(5)(d)(i), (ii) or (iii) of the Listing Rules apply to any of these Directors, the Board considers each of these Directors to be an Independent Director. Neither Mr Khor Thiam Beng, Mr Michael Grenville Gray nor Mr Goh Chung Meng took part in the review of his own independence.

In respect of the forthcoming AGM of the Company, Mr Khor Thiam Beng has indicated that he will retire as Non-Executive Chairman and Independent Director of the Company after the forthcoming AGM, and the NC has recommended the nomination of Mr Chan Yu Meng to stand for election as an Independent Director of the Company. The Board has accepted the NC's recommendation.

In respect of the forthcoming AGM of the Company, the NC has recommended that Mr Michael Grenville Gray and Mr Goh Chung Meng seek approval for their continued appointment as Independent Directors and such approval to be sought by way of separate resolutions by (A) all shareholders; and (B) shareholders, excluding the Directors and the CEO, and associates of such Directors and the CEO, such resolutions to remain in force until the earlier of (X) their retirement or resignation; or (Y) the conclusion of the third annual general meeting of the Company following the passing of the resolutions. The Board has accepted the NC's recommendation.

2.2 Independent directors make up a majority of the Board where the Chairman is not independent.

It is a requirement of the Code that independent directors should make up the majority of the board where the Chairman of the board: (i) is not an independent director; (ii) is also the Chief Executive Officer ("CEO") of the company (or equivalent); (iii) is an immediate family member to the CEO; (iv) and the CEO have close family ties with each other (i.e. a familial relationship between two parties which extends beyond immediate family members and could influence the impartiality of the Chairman) as determined by the nominating committee; or (v) is part of the management team.

Although the Company is not required to comply with this requirement of the Code as the Chairman of the Board during the financial year under review: (i) is an Independent Director; (ii) is not the CEO of the Company (or equivalent); (iii) is not an immediate family member to the CEO; (iv) and the CEO do not have close family ties with each other (i.e. a familial relationship between two parties which extends beyond immediate family members and could influence the impartiality of the Chairman) as determined by the NC; and (v) is not part of the management team, the Independent Directors do in fact make up the majority of the Board.

2.3 Non-executive directors make up a majority of the Board.

Non-Executive Directors make up the majority of the Board as the Company has a total of 5 Board members, of whom 3 are Independent Directors and 2 are Executive Directors. The following details of the Directors are set out below as required under Rule 1207(10B) of the Listing Rules:

Director	Board Membership	Date of First Appointment as Director ³	Date of Last Appointment as Director ⁴	ARC	NC	RC
Khor Thiam Beng	Chairman and Independent Director	30 Oct 2006	28 Oct 2021	Member	Member	Member
Lim Eng Hong	CEO	16 May 1984	30 Oct 2019	-	-	-
Alvin Lim	Executive Director	1 Aug 2018	28 Oct 2021	-	-	-
Goh Chung Meng	Independent Director	16 Oct 2001	29 Oct 2020	Member	Chairman	Chairman
Michael Grenville Gray	Independent Director	30 Oct 2006	29 Oct 2020	Chairman	Member	Member

2.4

The Board and board committees are of an appropriate size, and comprise directors who as a group provide the appropriate balance and mix of skills, knowledge, experience, and other aspects of diversity such as gender and age, so as to avoid groupthink and foster constructive debate. The board diversity policy and progress made towards implementing the board diversity policy, including objectives, are disclosed in the company's annual report.

The Board's policy in identifying director nominees is primarily to have an appropriate mix of members with complementary skills, core competencies, knowledge and experience.

The Board considers that the present composition of the Board and of each Board committee provides an appropriate balance and mix of skills, knowledge, experience and other aspects of diversity, taking into account the nature and scope of the Group's operations, requirements of the business and the need to avoid undue disruptions from changes to the composition of the Board and Board committees. The Board also considers the current size of the Board and of each Board committee ideal for effective debate and decision-making. The Directors bring with them a wide spectrum of industry knowledge and skills, experience in accounting, finance, legal and business strategies, management expertise, customer-based experience, knowledge of the Group and objective perspective to effectively lead and direct the Group. Profiles of the Directors are set out in this Annual Report.

Including directorships of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to our corporate restructuring exercise in 2021.

Including directorships of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to our corporate restructuring exercise in 2021.

Balance and Diversity of the Board

Core Competencies	Number of Directors	Proportion of the Board
Accounting or finance-related	1	20%
Business and management experience	2	40%
Legal or corporate governance	1	20%
Strategic planning experience	1	20%
Gender Diversity		
Male	5	100%
Female	_	_

The Board is of the view that there is sufficient diversity in skills, experience and knowledge of the Company in its current Board composition to maximise effectiveness.

The Board does not have a written board diversity policy at the moment, which constitutes a variation from Provision 2.4 of the Code. The Board however recognises the importance and value of gender diversity and will take into consideration the skill sets, knowledge and experience, and other aspects of diversity including gender and age, for any future Board appointments. Having said that, gender is but one aspect of diversity and new directors will continue to be selected based on objective criteria set as part of the process for appointment of new directors and Board succession planning. The Company is therefore of the view that the intent of Principle 2 has been met.

In order to maintain or enhance its balance and diversity, the Board will take the following steps:

- annual review by the NC to assess if the existing attributes and core competencies of the Board are complementary and will enhance the efficacy of the Board; and
- annual evaluation by the Directors of the skill sets the other Directors possess, with a view to understanding the range of expertise which is lacking by the Board.

The NC will consider the results of these exercises in its recommendation for the appointment of new Directors and/or the re-appointment of incumbent Directors.

The Board is cognisant that improvements can be made in respect of gender diversity on the Board, recognises the importance and value of gender diversity, and will take into consideration the skill sets and experience including gender diversity for any future Board appointments.

2.5	Non-executive directors and/or independent directors, led by the independent Chairman or other independent director as appropriate, meet regularly without the presence of Management. The chairman of such meetings provides feedback to the Board and/or Chairman as appropriate.	In the financial year under review, the Non-Executive Directors met regularly and at least once annually without the presence of management and the Executive Directors, to review any matters that they wish to raise privately, constructively challenge and help develop proposals on company strategy, review the performance of management in meeting agreed goals and objectives and monitor the reporting of performance. The independent Chairman of the Board provides feedback to the Board as appropriate.
CHAIRMAN	N AND CHIEF EXECUTIVE OFFICER	
Principle		
3.	There is a clear division of responsing one individual has unfettered po	sibilities between the leadership of the Board and Management, and owers of decision-making.
Provision		Disclosure
3.1	The Chairman and the CEO are separate persons to ensure an appropriate balance of power, increased accountability, and greater capacity of the Board for independent decision making.	The Code advocates that the Chairman and the CEO should in principle be separate persons to ensure an appropriate balance of power, increased accountability and greater capacity for independent decision-making. The Chairman of the Board in respect of the financial year under review is Mr Khor Thiam Beng, an Independent Director and the CEO of the Company is Mr Lim Eng Hong. Mr Khor Thiam Beng and Mr Lim Eng Hong are not immediate family members. There is a clear separation of the roles and responsibilities between the Chairman and the CEO in order to maintain effective oversight.
3.2	The Board establishes and sets out in writing the division of responsibilities between the Chairman and the CEO.	As set out in the Board's written terms of reference, the role of the Chairman is to, inter alia: I lead the Board to ensure its effectiveness on all aspects of its role; set the agenda and ensure that adequate time is available for discussion of all agenda items, in particular strategic issues; promote a culture of openness and debate at the Board; ensure effective communication with shareholders; encourage constructive relations within the Board and between the Board and management; and

		and the role of the CEO is to, inter alia: develop, with the Board, a consensus for the Company's vision
		and mission;
		 develop and implement the strategic plan set by the Board;
		 provide strong leadership and effective day-to-day management of the Company to deliver the plan;
		drive a culture of compliance and ethical behaviour;
		ensure appropriate talent management and remuneration frameworks are established; and
		ensure that the Board is informed about key company activities and issues.
3.3	The Board has a lead independent director to provide leadership in situations where the Chairman is conflicted, and especially when the Chairman is not independent. The lead independent director is available to shareholders where they have concerns and for which contact through the normal channels of communication with	The Board did not consider it necessary to appoint a lead independent director as the Chairman of the Board during the financial year under review: (i) is an Independent Director; (ii) is not the CEO of the Company (or equivalent); (iii) is not an immediate family member to the CEO; (iv) and the CEO do not have close family ties with each other (i.e. a familial relationship between two parties which extends beyond immediate family members and could influence the impartiality of the Chairman) as determined by the NC; and (v) is not part of the management team.
	the Chairman or Management are inappropriate or inadequate.	It is contemplated that after the forthcoming AGM of the Company, Mr Lim Eng Hong will replace Mr Khor Thiam Beng as the Chairman of the Board, and that Mr Michael Grenville Gray will be appointed as lead independent director. As lead independent director, Mr Michael Grenville Gray will be available to shareholders where they have concerns for which contact through the normal channels of communication with the Chairman or Management are inappropriate or inadequate.

BOARD MI	EMBERSHIP	
Principle		
4.	The Board has a formal and trans taking into account the need for pro	parent process for the appointment and re-appointment of directors, ogressive renewal of the Board.
Provision		Disclosure
4.1	The Board establishes a Nominating Committee (" NC ") to make recommendations to the Board on relevant matters relating to:	The NC is regulated by a set of written terms of reference endorsed by the Board, setting out its authority and duties. According to its terms of reference, the responsibilities of the NC include reviewing and making recommendations to the Board relating to:
	(a) the review of succession plans for directors, in	 the structure, size and composition of the Board and the Board Committees;
particular the appointment and/or replacement of the Chairman, the CEO and key management personnel; • succession plans for the Board Chairm members of senior management; • the development of a transparent properformance of the Board, its Board Coalest.	particular the appointment and/or replacement of the	
	performance of the Board, its Board Committees and Directors,	
	(b) the process and criteria including assessing whether for evaluation of the enough time to discharge the	including assessing whether Directors are able to commi enough time to discharge their responsibilities and the maximum number of listed company Board representations which of Director may hold.
	(c) the review of training and professional development	 training and professional development programmes for the Board;
	programmes for the Board and its directors; and	 appointment and re-appointment of all Directors (including any alternate directors); and
	(d) the appointment and re- appointment of directors (including alternate directors,	the review and confirmation of the independence of each Director.
	if any).	No alternate directors have been appointed to the Board.
		In this report, the Company defines the term "key management personnel" to mean the CEO and Executive Officers of the Company The term "Executive Officers" carries the same meaning as defined in the Listing Rules.
4.2	The NC comprises at least three directors, the majority of whom, including the NC Chairman, are independent. The lead independent director, if any, is a member of the NC.	The NC comprises the following 3 Directors, all of whom are independent: Mr Goh Chung Meng – Chairman; Mr Khor Thiam Beng – Member; and Mr Michael Grenville Gray – Member. As disclosed in respect of Provision 3.3 above, the Board did no consider it necessary to appoint a lead independent director during the financial year under review.

The company discloses the process for the selection, appointment and re-appointment of directors to the Board, including the criteria used to identify and evaluate potential new directors and channels used in searching for appropriate candidates in the company's annual report.

4.3

In the selection and nomination of new Directors, the NC identifies the key attributes that an incoming Director should have, based on the attributes of the existing Board and the requirements of the Group. The NC then taps on the Directors' resources for recommendations of potential candidates. Executive recruitment agencies may also be appointed to assist in the search process where necessary. The potential candidates will go through a shortlisting process. Interviews are then set up with the shortlisted candidates for the NC to assess them before a decision is made. Upon a recommendation being made by the NC, a new Director can be appointed by way of a Board resolution. Such Directors must present themselves for re-election at the next AGM of the Company as required under the Constitution.

Important issues to be considered as part of the process for the selection, appointment and re-appointment of Directors include the composition and progressive renewal of the Board and each Director's competencies, commitment, contribution and performance (e.g. attendance, preparedness, participation and candour) including, if applicable, as an Independent Director.

The Directors (including the CEO) submit themselves for re-nomination and re-election at regular intervals of at least once in 3 years in compliance with the Company's Constitution and Rule 720(5) of the Listing Manual of the SGX-ST. The Constitution provides that one-third of the Board is to retire from the office annually by rotation at the AGM. Retiring Directors are eligible to offer themselves for re-election. The NC has recommended the nomination of Mr Lim Eng Hong, Mr Michael Grenville Gray and Mr Goh Chung Meng for re-election at the forthcoming AGM. The Board has accepted the NC's recommendation.

Pursuant to Rule 720(6) of the Listing Manual of the SGX-ST, additional information on the Directors seeking election/re-election has been set out in the section titled "Additional Information on Directors Seeking Election/Re-Election" which is appended to the Notice of AGM

Please also refer to our disclosures in respect of Provision 2.1 above with regard to the NC's recommendation that Mr Michael Grenville Gray and Mr Goh Chung Meng seek approval for their continued appointment as Independent Directors at the forthcoming AGM.

The Company is the view that the Board members' collection of skills, experience and diversity meets the current needs of the Company. Please refer to the Company's disclosure in respect of Provision 2.4 above for further details.

4.4 The NC determines annually, and as and when circumstances require, if a director is independent, having regard to the circumstances set forth in Provision 2.1. Directors disclose their relationships with the company, its related corporations, its substantial shareholders or its officers, if any, which may affect their independence, to the Board. If the Board, having taken into account the views of the NC. determines that such directors are independent notwithstanding the existence of such relationships, the company discloses the relationships and its reasons in its annual report.

Please refer to our disclosure in respect of Provision 2.1 above.

4.5 The NC ensures that new directors are aware of their duties and obligations. The NC also decides if a director is able to and has been adequately carrying out his or her duties as a director of the company. The company discloses in its annual report the listed company directorships and principal commitments of each director, and where a director holds a significant number of such directorships and commitments, it provides the NC's and Board's reasoned assessment of the ability of the director to diligently discharge his or her duties.

Please refer to our disclosures in respect of Provision 1.2 above with regard to new Directors' induction into the Board, briefing on their duties and the receipt of mandatory training as prescribed by the SGX-ST.

Key information regarding the Directors' profiles, including directorships or chairmanships both present and those held over the preceding 5 years in other listed companies, and other principal commitments, are set out in this Annual Report. The shareholdings of the Directors in the Company are set out in the Directors' Statement.

The NC determines annually whether each Director with multiple directorships or other principal commitments outside of the Group is able to and has been adequately carrying out his duties as a Director of the Company. The NC takes into account the attendance and contributions of the Directors at Board and Board committee meetings, level of commitment required of the Director's other principal commitments, degree of complexity of the other listed companies where the Director holds directorships, expectations of the Director's obligations in the capacity as director in other organisations, results of the assessment of the effectiveness of the Board as a whole and Board committees, and the respective Directors' actual conduct and participation on the Board and its Board committees, in making the determination.

		In respect of the financial year under review, the NC was of the view that each Director has given sufficient time and attention to the affairs of the Company and has been able to discharge his duties as director effectively. The NC noted that based on the attendance of Board and Board committee meetings during the financial year under review, all the Directors were able to participate in all of such meetings to carry out their duties. The NC is satisfied that all the Directors have been able to and had adequately carried out their duties notwithstanding their multiple directorships (where applicable) and other principal commitments.
		Nonetheless, to ensure that the Directors continue to give sufficient time and attention to the affairs of the Company, the Board has, subject to annual review, determined that the maximum number of directorships and principal commitments which any Director may hold shall be maintained at 5.
		If the NC considers it necessary, it shall make recommendations to the Board on the guidelines to be implemented to address the competing time commitments faced by Directors serving on multiple boards and with other principal commitments.
BOARD PE	RFORMANCE	
Principle		
5.	The Board undertakes a formal ann board committees and individual d	ual assessment of its effectiveness as a whole, and that of each of its irectors.
Provision		Disclosure
5.1	The NC recommends for the Board's approval the objective performance criteria and process for the evaluation of the effectiveness of the Board as a whole, and of each board committee separately, as well as the contribution by the Chairman and each individual director to the Board.	The NC has implemented a formal Board evaluation process, approved by the Board, to be carried out annually to assess the effectiveness of the Board as a whole and its Board committees, namely, the ARC, NC and RC. For the financial year under review, an evaluation of the performance of the Board and its Board committees, and the contribution by the Chairman and each Director to the effectiveness of the Board and its Board committees (where applicable), was conducted.
5.2	The company discloses in its annual report how the assessments of the Board, its board committees and each director have been conducted, including the identity of any external facilitator and its connection, if any, with the company or any of its directors.	The objective of the evaluation process is to assess and identify areas for continuous improvement to the Board's overall effectiveness. The assessment of the Board as a whole is conducted by way of a Board evaluation questionnaire completed by the Directors, which assesses the Board as a whole on several parameters, namely, the Board composition, maintenance of independence, Board information, Board processes, Board accountability, communication with top management and standard of conduct.

An evaluation of the performance of the Board committees was also undertaken with the assistance of self-assessment checklists completed by the members of each Board committee collectively. Directors were also required to complete appraisal forms to assess the contributions made by each of the other Directors towards the effectiveness of the Board.

The NC assesses the effectiveness of the Board as a whole and its Board committees, and the contribution by each Director to the effectiveness of the Board, with input from the CEO. The appraisal process focuses on a set of performance criteria which includes the evaluation of the Board composition and size, the Board process, Board effectiveness and training, the provision of information to the Board, Board standards of conduct and financial performance indicators. Such performance criteria are recommended by the NC and approved by the Board and they address how the Board has enhanced long-term shareholder value. The performance criteria allow for comparison with industry peers and do not change from year to year unless circumstances deem it necessary and a decision to change them would be justified by the Board. The assessment parameters for each Director include attendance record at the meetings of the Board and the Board committees and quality of participation at meetings as well as special contributions.

The consolidated findings are reported and recommendations are made to the Board for consideration of further improvements to help the Board to discharge its duties more effectively. Where appropriate, the Chairman will act on the results of such evaluation and, in consultation with the NC and if necessary, propose new members to be appointed to the Board or seek the resignation of directors.

The NC, having reviewed the performance of the Board in terms of its roles and responsibilities and the conduct of its affairs as a whole, is of the view that the Board and the Board committees have operated efficiently, the Board has met its performance objectives and each Director has contributed to the overall effectiveness of the Board in the financial year under review.

No external facilitator was appointed for the evaluation of the Board and the Board committees during the financial year under review.

Each member of the NC shall abstain from voting on any resolutions and making any recommendations and/or participating in any deliberations of the NC in respect of the assessment of his performance or re-nomination as a Director.

Principle		
6.	remuneration, and for fixing the re	eparent procedure for developing policies on director and executive emuneration packages of individual directors and key management in deciding his or her own remuneration.
Provision		Disclosure
6.1	The Board establishes a Remuneration Committee ("RC") to review and make recommendations to the Board on:	The RC is regulated by a set of written terms of reference endorsed by the Board setting out its authority and duties. According to its terms of reference, the responsibilities of the RC include reviewing and making recommendations to the Board on:
	(a) a framework of remuneration for the Board and key management personnel; and (b) the specific remuneration packages for each director as well as for the key	 a framework of remuneration for Directors and Executive Officers, and determining the specific remuneration packages for each Director as well as for the Executive Officers, such recommendations to cover all aspects of remuneration, including but not limited to, Directors' fees, salaries, allowances, bonuses, options, share-based incentives and awards, benefits in kind, and termination payments;
	as well as for the key management personnel.	performance-related elements of remuneration to align interests of Executive Directors and Executive Officers with those of shareholders and link rewards to corporate and individual performance; and
		considering whether Directors should be eligible for benefits under long-term incentive schemes.
6.2	The RC comprises at least three directors. All members of the RC are non-executive directors, the majority of whom, including the RC Chairman, are independent.	The RC comprises 3 Directors, all of whom are non-executive and independent: Mr Goh Chung Meng – Chairman; Mr Khor Thiam Beng – Member; and Mr Michael Grenville Gray – Member.
6.3	The RC considers all aspects of remuneration, including termination terms, to ensure they are fair.	The aim of the RC is to motivate and retain Directors and Executive Officers without being excessive, and ensure that the Company is able to attract and retain the best talent in the market to drive the Group's businesses forward in order to maximise long-term shareholder value.
		During the financial year under review, the RC reviewed and made recommendations in relation to the general remuneration framework for the Board, as well as regarding the specific remuneration packages of the Directors and Executive Officers, and submitted them for endorsement by the entire Board.

	proportion of executive directors' and key management personnel's remuneration is structured so as to link rewards to corporate and individual performance. Performance-related remuneration	Officers comprise the annual fixed cash, annual performance incentives and, where applicable, long-term incentives. The annual review of compensation is carried out by the RC to ensure that the remuneration components are market-competitive and commensurate with the performance of each Executive Director and
Provision 7.1	A significant and appropriate	Disclosure The remuneration components of the Executive Directors and Executive
7.		
Principle		
LEVEL AND	MIX OF REMUNERATION	objectivity of the remuneration consultants.
6.4	The company discloses the engagement of any remuneration consultants and their independence in the company's annual report.	While none of the members of the RC specialise in the field of executive compensation, the members of the RC do possess broad knowledge in this area and have access to external professional advice. The RC is competent in reviewing and recommending to the Board the appropriate remuneration framework for Directors and Executive Officers in accordance with the terms of reference duly adopted by the Board. No external remuneration consultants were appointed for the financial year under review. However, in reviewing and recommending to the Board the appropriate remuneration framework for Directors and Executive Officers, the RC had reviewed remuneration surveys published by consulting groups and the government. As and when deemed appropriate by the RC, independent expert advice on the remuneration of Directors will be sought at the Company's expense. The RC shall ensure that existing relationships, if any, between the Company and its appointed remuneration consultants will not affect the independence and
		The RC reviews the Company's obligations arising in the event of termination of the contracts of service of Executive Directors and Executive Officers to ensure that such contracts of service contain fair and reasonable termination clauses which are not overly generous. The RC aims to be fair and avoid rewarding poor performance when setting the remuneration packages of the Executive Director and Executive Officers.
		Each member of the RC will abstain from voting and discussing on any resolutions in respect of his own remuneration package.

		The annual performance incentive variable bonus is tied to the performance of the Company, business unit and individual employee. Performance conditions to which entitlement to such annual and short-term incentives are subject include benchmarking performance against industry business operation expectations and performance that exceeds such expectations, as well as measuring performance based on the Company's financial performance vis-à-vis industry performance. For the financial year under review, the performance conditions for the short-term incentives were generally met.
		In respect of long-term incentives, Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) previously implemented the Avi-Tech Employee Share Option Scheme (" ESOS "), which expired in July 2017. The Company has adopted the Avi-Tech Restricted Share Plan 2021 (" RSP 2021 ").
7.2	The remuneration of non-executive directors is appropriate to the level of contribution, taking into account factors such as effort, time spent, and responsibilities.	The Non-Executive Directors are paid Directors' fees based on their level of contributions, taking into account factors such as effort and time spent, and responsibilities of each Non-Executive Director in the Board and Board committees. The RC will ensure that the Non-Executive Directors are not over-compensated to the extent that their independence may be compromised. The recommendations made by the RC in respect of the Non-Executive Directors' fees for the financial year under review are subject to shareholders' approval at the forthcoming AGM.

Remuneration is appropriate to attract, retain and motivate the directors to provide good stewardship of the company and key management personnel to successfully manage the company for the long term.

7.3

The RC exercises broad discretion and independent judgement in ensuring that the amount and mix of compensation are aligned with the interests of shareholders, promote the long-term success of the Company, and recognise the performance, potential and responsibilities of each individual. The mix of fixed and variable rewards is considered appropriate for the Group and for each individual role. The performance-related remuneration structure is directly linked to corporate and individual performance. The RC also recognises the need for reasonable alignment between risk and performance-related remuneration to discourage excessive risk-taking. As such, in determining the performance-related remuneration structure, the RC had taken into account the risk policies and risk tolerance of the Group, and whether such remuneration is symmetric with risk outcomes and sensitive to the time horizon of risks.

The Company has 2 Executive Directors. The remuneration package of Mr Lim Eng Hong is based on terms stipulated in his service contract. His remuneration includes a profit-sharing scheme that is performancerelated to align his interests with those of the shareholders. His service contract with the Company is for a fixed period and he does not receive any Directors' fee.

The remuneration package of Mr Lim Tai Meng Alvin is based on terms stipulated in his service contract. His service contract contains an annual performance incentive variable bonus as described in our disclosures in respect of Provision 7.1 above and does not contain a profit-sharing scheme. His service contract with the Company is for a fixed period and he does not receive any Directors' fee.

The Company is of the view that there is no requirement to institute contractual provisions to allow the Company to reclaim incentive components of the Executive Directors' remuneration paid in prior years in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company, as the Executive Directors owe fiduciary duties to the Company and the Company should be able to avail itself of remedies against the Executive Directors in the event of such breach of fiduciary duties.

The Company is of the view that the variable component of the remuneration packages of the Executive Officers is moderate and not at risk of jeopardising good stewardship. At present, there is no necessity for the Company to institute contractual provisions in the service agreements to reclaim incentive components of remuneration paid in prior years from the Executive Officers in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company.

Principle		
8.	1 1	remuneration policies, level and mix of remuneration, the procedure lationships between remuneration, performance and value creation.
Provision		Disclosure
8.1	The company discloses in its annual report the policy and criteria for setting remuneration, as well as names, amounts and breakdown of remuneration of: (a) each individual director and the CEO; and (b) at least the top five key management personnel (who are not directors or the CEO) in bands no wider than \$\$250,000 and in aggregate the total remuneration paid to these key management personnel.	Provisions 7.1 and 7.3 above describes the components of each Executive Director and Executive Officer's remuneration, comprising the fixed salary and annual performance incentives, as well as explains how the annual review of compensation is carried out by the RC to ensure that the remuneration components are market-competitive and commensurate with the performance of each Executive Director and Executive Officer and that of the Company. In reviewing the annual performance incentive variable bonus, considerations are tied to the performance of the Company, business unit and individual employee, and entitlement to such annual and short-term incentives are subject to benchmarking performance against industry business operation expectations and performance that exceeds such expectations, as well as measuring performance based on the Company's financial performance vis-à-vis industry performance. It is also disclosed that the RC exercises judgement in ensuring that the amount and mix of compensation are aligned with the interests of shareholders and promote the long-term success of the Company. The Company sees value creation as increasing returns to shareholders by improving revenue and profits. Please refer to our disclosure in respect of Principle 7 above for further details on the Company's policy and criteria for setting remuneration for Directors and Executive Officers. The RC has recommended to the Board an amount of \$\$150,000 as Directors' fees for the financial year under review. This recommendation will be tabled for shareholders' approval at the forthcoming AGM.

CORPORATE •

A breakdown, showing the level and mix of each individual Non-Executive Director's remuneration for the financial year under review, is as follows:

Directors	Fee ⁽¹⁾ (S\$)	Salary (S\$)	Variable Bonus & Profit Sharing (S\$)	Benefits in kind (S\$)	Total (S\$)
Khor Thiam Beng	50,000	_	_	_	50,000
Goh Chung Meng	50,000	_	_	_	50,000
Michael Grenville Gray	50,000	-	-	_	50,000

(1) These fees are subject to shareholders' approval at the forthcoming AGM

For the financial year under review, the Company wishes to disclose the remuneration of the Executive Directors in bands of \$\$250,000, which constitutes a variation from Provision 8.1(a) of the Code. The Company is of the view that the intent of Principle 8 was met, as the remuneration policies and the procedure for setting remuneration applicable to the Executive Directors are described above in our disclosures in respect of Principle 7, the level and mix of remuneration is disclosed in the table below and disclosures in the financial statements of the Company provides sufficient overview of the remuneration of the Group. Moreover, the RC and the Board are of the opinion that the remuneration packages of the Executive Directors are of a confidential and sensitive nature, the disclosure of which would place the Group in a competitively disadvantageous position, and hence have chosen to make disclosures in relation thereto in bands of S\$250,000. A breakdown, showing the level and mix of each individual Executive Director's remuneration for the financial year under review, is as follows:

Directors	Fee	Salary	Variable Bonus	Benefits in kind	Total
Band D ⁽¹⁾	%	%	%	%	%
lim Eng Hong	_	76	17	7	100
Band A ⁽²⁾	%	%	%	%	%
Lim Tai Meng Alvin ⁽³⁾	-	84	14	2	100

- (1) Band D means from S\$500,000 up to S\$749,999
- (2) Band A means from S\$1 up to S\$249,999
- (3) Mr Lim Tai Meng Alvin is the son of Mr Lim Eng Hong, the Company's CEO, Director and controlling shareholder. In incremental bands no wider than S\$100,000, Mr Lim Tai Meng Alvin's total remuneration falls within the S\$200,000 to S\$249,999 band.

As required under Provision 8.1(b) of the Code, a breakdown, showing the level and mix of the top Executive Officers' remuneration (in bands of \$\$250,000) for the financial year under review, is as follows:

Name Band B ⁽¹⁾	Salary %	Variable Bonus %	Benefits in kind %	Total %
Joseph Wang Nin Choon	86	14	_	100
Band A ⁽²⁾	%	%	%	%
Lau Toon Hai	86	14	-	100

Notes:

- (1) Band B means from \$\$250,000 up to \$\$499,999
- (2) Band A means from S\$1 up to S\$249,999

The Company considers the heads of the corporate functions and the Vice Presidents to be the Executive Officers and top key management personnel of the Company (who are not Directors or the CEO) for the financial year under review and pursuant thereto, there were only two key management personnel in the financial year under review. The total remuneration paid to the above Executive Officers is not more than \$\$500,000 in the financial year under review. The Company is of the view that the disclosure of the upper limit of the total remuneration paid to the two key management personnel is substantially in compliance with Provision 8.1(b) of the Code, as it sufficiently informs that the total remuneration paid does not specifically exceed the amount stated.

In view of the foregoing, the Company believes that the Annual Report, taken as a whole, has sufficient transparency on the Company's remuneration policies, level and mix of remuneration, the procedure for setting remuneration and the relationships between remuneration, performance and value creation, which is consistent with the intent of Principle 8 of the Code.

8.2	The company discloses the names and remuneration of employees who are substantial shareholders of the company, or are immediate family members of a director, the CEO or a substantial shareholder of the company, and whose remuneration exceeds \$\$100,000 during the year, in bands no wider than \$\$100,000, in its annual report. The disclosure states clearly

Save as disclosed in respect of Provision 8.1 above, the Group did not employ any employees who are substantial shareholders of the Company, or are immediate family members of any Director, the CEO or a substantial shareholder of the Company. "Immediate family" means a spouse, child, adopted child, step-child, brother, sister or parent. In respect of Mr Lim Tai Meng Alvin's total remuneration in incremental bands no wider than \$\$100,000, he falls within the \$\$200,000 to \$\$249,999 band.

8.3 The company discloses in its annual report all forms of remuneration and other payments and benefits, paid by the company and its subsidiaries to directors and key management personnel of the company. It also discloses details of employee share schemes.

the employee's relationship with the relevant director or the CEO or substantial shareholder.

> Please refer to our disclosure in respect of Provision 8.1 above for the Company's disclosure of all forms of remuneration and other payments and benefits paid by the Company to Directors and top key management personnel. Persons appointed as directors of the Company's subsidiaries comprise only Mr Lim Eng Hong, Mr Lim Tai Meng Alvin, and Mr Joseph Wang Nin Choon who apart from receiving their remuneration from the Company, do not receive any further remuneration from any other companies within the Group As disclosed in respect of Provision 7.1 above, the Company has adopted the RSP 2021, a share incentive scheme under which performance-based or time-based awards may be granted, and the aggregate number of shares which may be available pursuant to awards granted under the RSP 2021, when added to the number of new shares issued and issuable in respect of all awards granted under the RSP 2021, and all options or awards granted under any other option scheme or share plan which the Company may implement from time to time, shall not exceed 15% of the total number of issued shares (excluding treasury shares) on the day preceding the relevant award date.

> As disclosed on page 109 of the prospectus of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) dated 11 July 2007, the CEO does not receive any benefits upon the termination of his service contract. His service contract contains non-competition and non-solicitation clauses which are binding on the CEO for a period of 12 months from the date of cessation of employment with the Company. These obligations of non-competition and non-solicitation shall be conditional upon: (i) shareholders' approval pursuant to Rule 906 of the Listing Rules (if applicable) for the making by the Company to the CEO of 12 monthly payments of \$\$40,000 each from the Company (totalling \$\$480,000), (the "Payment(s)"); and (ii) the receipt of the Payment(s) by the CEO, the first payment of which shall be paid not later than the first day of the month immediately following the cessation date of employment with the Company, and, thereafter on the first day of each following month, time being of the essence. The Company is not obliged to make any Payment(s), or having made Payment(s) or parts thereof, to continue making such Payment(s) to the CEO, in the event the Company decides at any time, in its sole discretion, that the Company does not require the CEO to perform or continue performing the said non-competition and non-solicitation obligations.

> Save as disclosed above, no other employees or Directors of the Company are entitled to any termination, retirement or postemployment benefits.

Principle		
9.		ernance of risk and ensures that Management maintains a sound system introls, to safeguard the interests of the company and its shareholders.
Provision		Disclosure
9.1	The Board determines the nature and extent of the significant risks which the company is willing to take in achieving its strategic objectives and value creation. The Board sets up a Board Risk	The Board is responsible for risk governance, establishing risk management policies and tolerance strategies that set the appropriate tone and direction, and also overseeing the implementation of the Company's risk management framework to ensure that risks are identified and managed.
	Committee to specifically address this, if appropriate.	The ARC has been established by the Board to assist the Board in carrying out its responsibility of overseeing the Company's risk management framework and policies. In addition, the Company has established a risk management committee comprised of senior executives and co-chaired by the CEO and CFO of the Company, which meets at least once annually, including attendance at a workshop on the Company's risk management framework and policies. Directors are invited to provide their views and input a the workshop. The ARC reviews the findings from the workshop before making recommendations to the Board on the Company's risk management framework and policies.
		The Company has put in place a risk management and internal control system in areas such as financial, operational, compliance and information technology controls. Risk management and internal controls are detailed in formal instructions, standard operating procedures and financial authority limits policies. The principal aim of the internal control system is the management of business risks with a view to safeguarding shareholders' investments and the Group's assets.
		In particular, the Company's Risk Governance and Internal Contro ("RGIC") framework was developed to realise the value of risk management by providing an integrated enterprise-wide perspective of the risks involved in the Company's businesses, and institutionalising a systematic risk assessment methodology for the identification, assessment, management, reporting and monitoring of risks on a consistent and reliable basis. The RGIC Manual sets out, inter alia, the Board's approved Risk Appetite and Risk Tolerance guidance, Authority and Risk Control Matrix, Key Control Activities and Key Reporting and Monitoring Activities to manage and mitigate risks.

The Company's RGIC framework is constantly refined, ensuring relevance in a dynamic operating environment. The Company keeps abreast of the latest developments and best practices by participating in industry seminars and interacting with risk management practitioners. Continuous training is conducted to build risk awareness and competencies, and systems and tools are put in place to operationalise the risk management framework to support the Company's RGIC framework.

The management maintains the risk management and internal control systems and the Board monitors the Group's risks through the ARC and internal auditors. In designing these controls, the Company has considered the risks to which the business is exposed, the likelihood of such risks occurring and the costs of protecting against them.

The Board is committed to maintaining adequate and effective systems of internal controls (including financial, operational, compliance and information technology controls) and risk management systems to safeguard shareholders' interests and investments, and the Group's assets. The Board recognises the importance of establishing sound internal controls and risk management practices for good corporate governance. The Board affirms its overall responsibility for the Group's systems of internal controls and risk management, and for reviewing the adequacy and effectiveness of those systems, including financial, operational, compliance and information technology controls, on an annual basis.

On an ongoing basis, the Board periodically monitors and assesses the adequacy of the risk management systems that it has put in place and the system of internal controls, and ensure that management takes the appropriate steps to manage and mitigate risks.

During the financial year under review, the Board reviewed the adequacy and effectiveness of the Group's internal controls (including financial, operational, compliance and information technology controls) and risk management framework and systems, conducted dialogue sessions with the management to understand the process, and to identify, assess, manage and monitor risks within the Group.

The Company has established and maintains, on an ongoing basis, an effective internal audit function that is adequately resourced and independent of the activities it audits, as required under Rule 719(3) of the Listing Rules. The Board has engaged RSM Risk Advisory Pte Ltd, the outsourced internal auditor for the Group, during the financial year under review, to conduct an internal audit on selected key risk areas of the Group and to make recommendations to enhance the internal controls and risk management framework and systems.

During the financial year under review, the management updated the ARC and the Board on the Group's risk profile, the status of risk mitigation action plans and updates on the following areas:

- identification of specific "risk owners" who are responsible for the risks identified;
- assessment of the Group's key risks by major business units and risk categories;
- description of the processes and systems in place to identify and assess risks to the business and how risk information is collected on an ongoing basis;
- ongoing gaps in the risk management process such as system limitations in capturing and measuring risks, as well as action plans to address the gaps;
- status and changes in plans undertaken by the management to manage key risks; and
- description of the risk monitoring and escalation processes and also systems in place.

The Board also considered any additional information necessary to ensure that the Board has taken into account all significant aspects of risks and internal controls for the Group for the financial year under review.

The Board relies on internal audit reports and the management letter prepared by the external auditors to report on any material non-compliance or internal control weaknesses. In line with the requirements under Rule 1207(10) of the Listing Rules, for the financial year under review, based on the risk management systems and internal controls established and maintained by the Group. work performed by the internal and external auditors, review of the internal audit plan and the internal auditors' evaluation of the system of internal controls and reviews performed by management, various Board committees and the Board, the Board, with the concurrence of the ARC, is of the opinion that the Group's internal controls (including financial, operational, compliance and information technology controls) and risk management systems are adequate and effective as at 30 June 2022 to address financial, operational, compliance and information technology risks which the Group considers relevant and material to its current business scope and environment.

The system of risk management and internal controls established by the Group is designed to manage, rather than eliminate, the risk of failure in achieving the Group's goals and objectives. The Board wishes to state that the system of internal controls provides reasonable, but not absolute, assurance as to financial, operational, compliance and information technology risks. No such system can provide absolute assurance against the occurrence of material errors and other situations not currently within the contemplation or beyond the control of the Board.

In the financial year under review, many industries were caught up in and affected by macro uncertainty and geopolitical challenges, given the risks of escalating US-China trade tensions and the Russia-Ukraine conflict. In 2022, the world was and continues to be severely impacted by the global effects of the coronavirus epidemic. Subsequently, we are also experiencing an oil-price war which has caused global stock markets to suffer, the weakening of market sentiments and the fading of business confidence. As the global pandemic situation, US-China trade tensions and the Russia-Ukraine conflict prolong, businesses across different sectors continues to grapple with uncertainties and the threat of a downward revenue trend. In the midst of this, the Group remains cautious on its business outlook in the next financial reporting period and is committed to continue working towards strengthening its core competencies and extending its customer base while at the same time, exploring new opportunities for growth, including mergers and acquisitions, to aid the business and enhance shareholder value. While the near-term visibility is low, the longer-term growth prospects of the semiconductor industry remain unaffected with the rapid advancement and deployment of Internet of Things (IoT) and smart technologies in industries and cities, and the evolution of automotive-related semiconductors due to the irreversible macrotrends of electromobility and autonomous driving. These will create opportunities and may drive demand for our services and augur well for the Group. Please also refer to the "Letter to Shareholders" portion of the Annual Report on the Chairman's and CEO's commentary of the significant trends and competitive conditions of the industry in which the Group operates in.

9.2 The Board requires and discloses in the company's annual report that it has received assurance from:

(a) the CEO and the Chief Financial Officer ("CFO") that the financial records have been properly maintained and the financial statements give a true and fair view of the company's operations and finances; and

(b) the CEO and other key management personnel who are responsible, regarding the adequacy and effectiveness of the company's risk management and internal control systems.

The Board has also received assurances from the CEO and the CFO that for the financial year under review, the financial records have been properly maintained and the financial statements give a true and fair view of the Group's operations and finances; and based on the work performed by the internal and external auditors, the Group's risk management and internal control systems, addressing financial, operational, compliance and information technology risks, were adequate and effective as at 30 June 2022.

AUDIT COMMITTEE

Principle		
10.	The Board has an Audit Committee ("AC") which discharges its duties objectively.	
Provision		Disclosure
10.1	The duties of the AC include: (a) reviewing the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the company and any announcements relating to the company's financial performance; (b) reviewing at least annually the adequacy and effectiveness of the company's internal controls and risk management systems;	the meeting (temporarily or otherwise) to facilitate open discussion should they have an interest in the matter under discussion. The ARC also has explicit authority to investigate any matter brought to its attention, within its terms of reference, with the power to obtain professional advice at the Company's expense. The ARC has

- reviewing the assurance from the CEO and the CFO on the financial records and financial statements:
- making recommendations to the Board on: (i) the proposals to the shareholders on the appointment and removal of external auditors; and (ii) the remuneration and terms of engagement of the external auditors;
- reviewing the adequacy, effectiveness, independence, scope and results of the external audit and the company's internal audit function; and
- reviewing the policy and arrangements for concerns about possible improprieties in financial reporting or other matters to be safely raised, independently investigated and appropriately followed up on. The company publicly discloses, and clearly communicates to employees, the existence of a whistle-blowing policy and procedures for raising such concerns.

The members of the ARC also take measures to keep abreast of changes to accounting standards and issues which have a direct impact on financial statements as and when the ARC, or the Board or the Company, deems necessary and appropriate. Changes to the various accounting standards are monitored closely by management. Where these changes have an important bearing on the Company's disclosure obligations, the Directors (including members of the ARC) are kept informed of such changes from time to time through circulation of the relevant changes which are also tabled during Board meetings.

According to its terms of reference, the responsibilities of the ARC include:

- reviewing significant financial reporting issues and judgements so as to ensure the integrity of financial statements and announcements on the Company's financial performance, and making recommendations, if any, to the Board, and in particular, monitoring the integrity of the financial reports prepared by the Company and reviewing the application and consistency of the accounting standards used;
- reviewing and reporting to the Board at least annually on the adequacy and effectiveness of the risk management and internal control systems (including financial, operational, compliance and information technology controls), and state whether the ARC concurs with the Board's comment on adequacy and effectiveness of the Company's internal controls and risk management systems;
- reviewing the assurance provided by the CEO and CFO that the financial records have been properly maintained, and that the financial statements give a true and fair view of the Company's operations and finances;
- reviewing the performance of the external auditors and facilitating its selection, appointment, reappointment, and removal by considering such factors including an assessment of their effectiveness through the level of errors identified, accuracy in handling key accounting and audit judgements, and response to queries from the ARC and then recommending to the Board the appointment, reappointment and removal of the external auditors and its remuneration and terms of engagement;

- reviewing the scope and results of the external audit, and
 the independence and objectivity of the external auditors,
 in particular, monitoring and assessing annually whether the
 external auditors' independence or objectivity is impaired by
 considering such factors including the amount of fees paid to
 the external auditors for the financial year, and the breakdown
 of aggregate fees for audit and non-audit services provided by
 the external auditors;
- reviewing the adequacy, effectiveness, independence, scope and results of the Company's internal audit function by, inter alia, monitoring and assessing the role and effectiveness of the internal audit function, including the internal audit charter, plans, activities, staffing, budget, resources, and organisational structure of the internal audit function; and
- overseeing the establishment and operation of the whistleblowing process in the Company and ensuring that policies and arrangements are in place by which staff may safely raise concerns about possible improprieties in financial reporting or other matters and ensuring that there are appropriate arrangements for an independent investigation and appropriate follow-up on concerns raised.

During the financial year under review, the ARC performed the following main functions (amongst other duties) in accordance with its written terms of reference:

- reviewing the terms of reference for the ARC annually;
- recommending to the Board the appointment or reappointment
 of the internal and/or external auditors, and approving the
 remuneration and terms of engagement of the internal and/
 or external auditors, after taking into account, amongst other
 things, the auditors' performance for the financial year under
 review and the requirements of the Group;
- reviewing the scope and results of the external audit as well as the internal audit plan and process to determine that it meets the requirements of the Group;
- evaluating the independence and objectivity of the external auditors;

- reviewing the Group's periodic financial statements (as required under the Listing Rules) and related notes and announcements relating thereto, accounting principles adopted, and the external auditors' reports to ensure proper disclosure and compliance prior to recommending to the Board for approval;
- reviewing and evaluating, having regard to input from external and internal auditors, the adequacy and effectiveness of the Group's system of internal controls and risk management functions, which include internal financial controls, operational, compliance and information technology controls and risk management policies and systems;
- reviewing the nature, scope, extent and cost-effectiveness
 of any non-audit services provided by the external auditors
 and ensuring that these do not affect the independence and
 objectivity of the external auditors;
- reviewing any significant financial reporting issues and judgments and estimates made by the management, so as to ensure the integrity of the financial statements of the Group; and
- reviewing the independence, adequacy and effectiveness of the Group's internal auditors.

During the financial year under review, the ARC also reviewed:

- the periodic results announcement (as required under the Listing Rules) together with the external auditors of the Company prior to its recommendations to the Board for approval for release on SGXNET and any changes to accounting standards and issues which have a direct impact on financial statements will be raised at such meetings;
- the audit plan and scope of examination of the external auditors and the assistance given by the Group's officers to the external auditors and noted that no restriction was imposed by the management on the scope and extent of the external audit;
- the Group's full-year results announcement, the financial statements of the Company and the consolidated financial statements of the Group for the financial year under review prior to its recommendations to the Board for approval; and
- the statement of the external auditors of the Company about their reporting responsibilities for the financial statements is set out in the "Independent Auditors' Report" which is found in this Annual Report.

Key Audit Matters

The ARC reviewed the key audit matter on allowance for slow-moving and obsolete inventories, included in the independent auditor's report for the financial year ended 30 June 2022. The ARC discussed in detail with management the amounts, value and age of older inventory and the approach and methodology applied in the assessment of making allowance for slow-moving and obsolete inventory as well as the reasonableness of the key sources of estimation uncertainty used as disclosed in Note 3 to the financial statements. The ARC concluded that the Company's accounting treatment in the allowance for slow-moving and obsolete inventories was appropriate.

External Auditors

Before confirming an external auditors' re-appointment, the ARC will conduct an annual review of the independence of the Company's external auditors and the total fees for non-audit services compared with audit services, and satisfy itself that the nature and volume of any non-audit services will not prejudice the independence and objectivity of the Company's external auditors. During the financial year under review, the remuneration paid/payable to the Company's external auditors, Deloitte & Touche LLP, is set out below:

Service Category	Fees Paid/Payable (\$\$'000)
Audit Services	138.0
Non-Audit Services	18.2
Total	156.2

In line with the requirements under Rule 1207(6) of the Listing Rules, the ARC has reviewed the non-audit services provided by the external auditors, Deloitte & Touche LLP, for the financial year under review, and is of the opinion that the provision of such services did not affect the independence or objectivity of the external auditors.

In respect of the financial year under review, the external auditors have confirmed that they are in compliance with the independence requirements set out in the Code of Professional Conduct and Ethics under the Accountants (Public Accountants) Rules of the Singapore Accountants Act and have affirmed their independence in this respect.

The ARC had recommended the reappointment of Deloitte & Touche LLP as external auditors of the Company at the forthcoming AGM. The external auditors re-appointed for the Company's subsidiaries are set out in the notes to the financial statements found in this Annual Report.

In proposing to shareholders the re-appointment of Deloitte & Touche LLP as the external auditors to the Company, and in line with the requirements under Rule 712 of the Listing Rules, and after taking into consideration the Audit Quality Indicators (AQI) Disclosure Framework published by ACRA in respect of Deloitte & Touche LLP, the Board and the ARC considered and are satisfied with the adequacy of the resources and experience of the auditing firm and the audit engagement partner assigned to the audit, the firm's other audit engagements, the size and complexity of our Group being audited, and the number and experience of supervisory and professional staff assigned to the particular audit. Deloitte & Touche LLP has confirmed that it is registered with ACRA. The Company is also in compliance with Rule 715 of the Listing Rules in relation to the appointment of the auditors of the Company and its subsidiaries.

Whistle-blowing Policy

To achieve a high standard of corporate governance for the operations of the Group, the Group has implemented a whistle-blowing policy. This policy will provide arrangements by which staff can raise concerns on financial improprieties and other reporting matters.

The whistle-blowing policy enables staff of the Group and any other persons, in confidence, to raise concerns about possible improprieties in matters of financial reporting and questionable accounting practices or other matters such as criminal offences, unlawful acts, fraud, corruption, bribery and blackmail, failure to comply with legal or regulatory obligations, unsafe work practices or substantial wasting of Company resources, and concealment of any of the foregoing. The whistle-blowing policy is intended to conform to the guidance set out in the Code and aims to: (i) support the Group's values and help detect and address unacceptable conduct; (ii) provide an avenue for Directors, employees and contractors of the Group and their staff to raise concerns without fear of suffering retribution and offer reassurance that staff of the Group and any other persons making such reports will be treated fairly and protected from reprisals for whistle-blowing in good faith within the limits of the law; and (iii) provide a transparent and confidential process for dealing with concerns.

The ARC exercises the oversight functions over the administration of the whistle-blowing policy. All reports including unsigned reports, reports weak in details and verbal reports will be considered. Such reports will be directed to the CEO or the Chairman of the ARC and the ARC will be informed immediately of any whistle-blowing reports received. To ensure independent investigation into such matters and for appropriate follow-up action, all whistle-blowing reports are reviewed by the ARC. In the event that the whistle-blowing report is about a Director, that Director shall not be involved in the review and any decisions with respect to that whistle-blowing report. Periodic reports will be submitted by the ARC to the Board stating the number and the complaints received, the results of the investigations, the follow-up actions taken, and the unresolved complaints (if any).

All employees who make a disclosure or raise a concern in accordance with such policy will be protected from reprisal if such employee (a) discloses the information in good faith; (b) has reasonable grounds to believe such disclosure or concern is substantially true; (c) does not act maliciously; and (d) does not seek any personal or financial gain. The identity of the whistle-blower will also be kept confidential. While employees are strongly encouraged to disclose their identity when lodging complaints, efforts will be made to ensure confidentiality as far as reasonably practicable. Furthermore, anonymous complaints will not be disregarded and will be considered.

The ARC has independent oversight and monitoring of the whistle-blowing policy and is committed to ensuring that the whistle-blower's identity is kept confidential and protection of the whistle-blower against detrimental or unfair treatment.

The ARC has reviewed and has ensured that arrangements are in place for such concerns to be raised and independently investigated, and for appropriate follow-up action to be taken. Details of the whistle-blowing policy have also been made available to the Directors, employees and contractors of the Group and their staff.

There were no whistle-blowing reports received by the ARC in the financial year under review.

10.2	The AC comprises at least three directors, all of whom are non-executive and the majority of whom, including the AC Chairman, are independent. At least two members, including the AC Chairman, have recent and relevant accounting or related financial management expertise or experience.	The ARC comprises 3 Directors, all non-executive and all of whom are independent: Mr Michael Grenville Gray – Chairman; Mr Khor Thiam Beng – Member; and Mr Goh Chung Meng – Member. The members of the ARC are appropriately qualified to discharge their responsibilities, with Mr Michael Grenville Gray having been a former partner in PricewaterhouseCoopers, Mr Goh Chung Meng having a wide financial management experience, and Mr Khor Thiam Beng being a retired senior lawyer.
10.3	The AC does not comprise former partners or directors of the company's existing auditing firm or auditing corporation: (a) within a period of two years commencing on the date of their ceasing to be a partner of the auditing firm or director of the auditing corporation; and in any case, (b) for as long as they have any financial interest in the auditing firm or auditing corporation.	The ARC's terms of reference provide that the members of the ARC shall not comprise former partners or directors of the Company's existing auditing firm or auditing corporation: (a) within a period of 2 years commencing on the date of their ceasing to be a partner of the auditing firm or director of the auditing corporation; and in any case, (b) for as long as they have any financial interest in the auditing firm or auditing corporation. None of the ARC members fall into any of the above categories.
10.4	The primary reporting line of the internal audit function is to the AC, which also decides on the appointment, termination and remuneration of the head of the internal audit function. The internal audit function has unfettered access to all the company's documents, records, properties and personnel, including the AC, and has appropriate standing within the company.	The Company has outsourced the internal audit function to RSM Risk Advisory Pte Ltd. The internal auditors report to the Chairman of the ARC and the scope of work will be agreed with the ARC on an annual basis. The internal auditors have access to all the Company's documents, records, properties and personnel, including access to the ARC. The ARC approves the hiring, removal, evaluation and compensation of the internal auditors. In line with the requirements under Rule 1207(10C) of the Listing Rules, following the review of the internal audit plan and the internal auditors' resources to conduct the internal audit plan, the internal auditors' objectivity in the assessment of issues and taking into account that the internal auditors have access to all the Company's documents, records, properties and personnel, including access to the ARC and having the co-operation of management, the ARC is satisfied with the independence of the internal auditors, and is of the view that the internal audit function is independent, effective, adequately resourced and has the appropriate standing within the Group. In considering the hiring, removal, evaluation and compensation of the internal auditors, the ARC has considered and is satisfied with the adequacy of the qualifications and experience of the internal auditors. The internal audit performed by RSM Risk Advisory Pte Ltd. is guided
		The internal audit performed by RSM Risk Advisory Pte Ltd. is guided by the International Standards for the Professional Practice of Internal Auditing.

10.5	The AC meets with the external auditors, and with the internal auditors, in each case without the presence of Management, at least annually.	The ARC meets, at least once annually, with the Group's external and internal auditors, in each case without the presence of management, in order to have free and unfiltered access to information that it may require, to discuss the results of their examinations and the evaluation of the Group's system of risk management and internal controls, and to discuss any problems and concerns which they may have.
SHAREHOL	DER RIGHTS AND ENGAGEMENT: S	HAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS
Principle		
11.	rights and have the opportunity to co	s fairly and equitably in order to enable them to exercise shareholders' ommunicate their views on matters affecting the company. The company understandable assessment of its performance, position and prospects.
Provision		Disclosure
11.1	The company provides shareholders with the opportunity to participate effectively in and vote at general meetings of shareholders and informs them of the rules governing general meetings of shareholders.	The Board is accountable to shareholders and ensures that all material information is fully disclosed in a timely manner to shareholders in compliance with statutory and regulatory requirements. The Board provides shareholders with periodic financial reports within the legally-prescribed periods and under the Listing Rules. In presenting financial statements to shareholders, the Board aims to provide shareholders with a balanced and clear assessment of the Group's performance, position, prospects and industry conditions. The responsibility to provide a balanced and understandable assessment extends to interim and other price-sensitive public reports and reports to regulators (if required).
		Financial and other price-sensitive public information are primarily disseminated to shareholders on a timely basis through announcements via SGXNET and may also be disseminated through press releases, the Company's website, media and analyst briefings. In particular, the Company's website provides shareholders with information on the performance of the Company's shares through the use of, inter alia, interactive charts (line, candlestick and OHLC) and historical price charting. The Company's annual report is sent to all shareholders and is also accessible on the Company's website.
		meeting is despatched to all shareholders before the scheduled date of the general meeting. The notice of general meeting is also advertised in the newspaper and made available via SGXNET and on the Company's website. The notice period for all general meetings complies with the requirements under the Companies Act and the Listing Rules.

The AGM is the principal forum for dialogue with shareholders. The Board welcomes questions and comments relating to the Group's business and performance from shareholders at AGMs. Shareholders are given an opportunity to air their views and direct questions to the Board and management on matters affecting the Group. The Chairman facilitates constructive dialogue between shareholders and the Board, management, external auditors and other relevant professionals and from time to time, directs other Directors to answer queries on matters related to their roles.

Shareholders will be informed of the rules, including voting procedures that govern general meetings of shareholders. The Constitution allows a shareholder to appoint a proxy to attend and vote in his place at general meetings. Nominee companies and relevant intermediaries, as defined in Section 181 of the Companies Act, may appoint more than 2 proxies to speak, attend and vote at general meetings.

According to the Constitution, all resolutions at general meetings shall be voted by poll. With poll voting, shareholders present in person or represented by proxy at general meetings will be entitled to vote on a 'one-share, one-vote' basis. The detailed procedures for poll voting will be explained at the general meetings. Detailed results showing the number of votes cast for and against each resolution and the respective percentages are announced via SGXNET and made available on the Company's website after the conclusion of the general meetings. The Company relies on the advice of the independent scrutineers to determine the need for electronic voting, taking into consideration the logistics involved, costs, and number of shareholders, amongst other factors.

11.2

The company tables separate resolutions at general meetings of shareholders on each substantially separate issue unless the issues are interdependent and linked so as to form one significant proposal. Where the resolutions are "bundled", the company explains the reasons and material implications in the notice of meeting.

The Company practises having separate resolutions at general meetings for each substantially separate issue. "Bundling" of resolutions will be done only where resolutions are interdependent and linked so as to form one significant proposal.

Pursuant to Rule 720(6) of the Listing Rules, additional information on the Directors seeking election/re-election has been set out in the section titled "Additional Information on Directors Seeking Election/ Re-Election" which is appended to the Notice of AGM. Please also refer to the section entitled "Board of Directors" of the annual report above and the explanatory notes to the Notice of AGM, which set out detailed information about these Directors, including the board and committee positions they are expected to hold upon election and their current directorships in other listed companies and other principal commitments held.

All directors attend general meetings of shareholders, and the external auditors are also present to address shareholders' queries about the conduct of audit and the preparation and content of the auditors' report. Directors' attendance at such meetings held during the financial year is disclosed in the company's annual report.

11.3

The Company requires all Directors (including the respective chairman of each of the Board committees) to be present at all general meetings of shareholders to address shareholders' queries at these meetings, except where there are exigencies. The external auditors are also required to be present to address shareholders' queries about the conduct of the audit and the preparation and content of the independent auditor's report.

Details of Directors' attendance at all general meetings of shareholders held for the financial year under review are summarised in the table below:

Meetings of Shareholders	Extraordinary General Meetings ⁵	Annual General Meetings ⁶
Total held in FY2022	1	1
Khor Thiam Beng	1	1
Lim Eng Hong	1	1
Lim Tai Meng Alvin	1	1
Goh Chung Meng	1	1
Michael Grenville Gray]	1

The company's Constitution (or other constitutive documents) allow for absentia voting at general meetings of shareholders.

The Company's Constitution provides that the Board may, in its sole discretion approve and implement, and subject to such security measures as may be deemed necessary or expedient, such voting methods to allow shareholders who are unable to vote in person at any general meeting the option to vote in absentia, including but not limited to voting by mail, electronic mail or facsimile.

Nevertheless, voting in absentia and by electronic mail is not presently available, which constitutes a variation from Provision 11.4 of the Code. The Board is looking into resolving the issues on security and integrity satisfactorily before implementing such absentia-voting methods. The Company is of the view that the intent of Principle 11 was met, as the existing arrangement whereby shareholders have the opportunity to vote by proxy is adequate in enabling shareholders to exercise their rights and have the opportunity to vote. Moreover, to allow voting in absentia by mail, facsimile or email would require careful consideration of various factors, including the integrity of information and authentication of the identity of shareholders.

Includes meetings of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to our corporate restructuring exercise in 2021.

⁶ Includes meetings of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to our corporate restructuring exercise in 2021.

	l g

Minutes of general meetings are prepared by the Company and made available to shareholders upon their request in accordance with applicable laws. The minutes of these general meetings include substantial and relevant comments or queries from shareholders relating to the agenda of the general meeting and responses from the Board and management. Save as disclosed below, the Company currently does not publish such minutes on the Company's corporate website, which constitutes a variation from Provision 11.5 of the Code. The Company takes the view that, notwithstanding such variation, the Company's current practice is consistent with the intent of Principle 11 of the Code to treat all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the Company and give shareholders a balanced and understandable assessment of the Company's performance, position and prospects, as the minutes of general meetings are available to any shareholder upon request.

In view of the COVID-19 pandemic, minutes of the AGM may be accessed on the Company's website and SGXNet within one (1) month from the date of the general meeting.

116 The company has a dividend policy and communicates it to shareholders.

Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) has announced to shareholders on 8 February 2017 the current policy on payment of dividends, which will see the Company distributing in respect of any one financial year, a total annual dividend amount of not less than 30% of the Company's consolidated net profits after tax and non-controlling interest and excluding nonrecurring, one-off and exceptional items for that financial year, on condition of a regular operating environment and taking into account the Company's earnings, financial position, capital expenditure requirements, cash flow, future expansion, investment plans, and other factors which the Board may deem appropriate.

Dividends declared are subject to shareholders' approval (where applicable), applicable laws and the Constitution.

The Board will continually review the dividend policy and reserves the right in its sole and absolute discretion to update, amend, modify and/or cancel the dividend policy at any time, and the dividend policy shall in no way constitute a legally binding commitment by the Company in respect of its future dividends and/or in no way obligates the Company to declare a dividend at any time or from time to time.

		The dividend policy is not indicative in any way of, and should not be construed in any manner as, a forecast statement or projection made by the Company or the Board on the future financial results and performance of the Company. In particular, no inference should or can be made from any of the foregoing statements as to the actual future profitability of the Company or the ability of the Company to pay dividends in any of the periods discussed.
		In the past where dividends are not paid, Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) had communicated to shareholders in the relevant annual report and in results announcements the reasons why dividends were not paid.
ENGAGEM	ENT WITH SHAREHOLDERS	
Principle		
12.		ly with its shareholders and facilitates the participation of shareholders dialogues to allow shareholders to communicate their views on various
Provision		Disclosure
12.1	The company provides avenues for communication between the Board and all shareholders, and discloses in its annual report the steps taken to solicit and understand the views of shareholders.	All shareholders are treated fairly and equitably to facilitate the exercise of their ownership rights. The Board is aware of its obligations to shareholders in providing information on changes in the Company or its business which would be likely to materially affect the price or value of the Company's shares. In line with the continuing disclosure obligations of the Company pursuant to the Listing Rules and the Companies Act, the Board's policy is that all shareholders should be equally and sufficiently informed in a comprehensive manner and on a timely basis of all material developments that impact the Group, and in particular, changes in the Group or its business which would be likely to materially affect the price or value of the Company's shares.
		All announcements including the periodic financial results announcements as required under the Listing Rules, distribution of notices, press releases, presentations and announcements on major developments are communicated to shareholders through public announcements via SGXNET and the Company's website, news releases (where appropriate) and annual reports or circulars that are sent to all shareholders, and notices of general meeting which are advertised. The Board approves the results announcements after review and authorises their release to the shareholders via SGXNET.

		The Company does not practise selective disclosure of material information. Material information is excluded from briefings with investors or analysts, unless it has been publicly released via SGXNET before, or concurrently with, such meetings. Where there is inadvertent disclosure made to a selected group, the Company will make the same disclosure publicly to all others as soon as practicable. The Company has also devised investor relations policies to provide regular, effective and fair communication and convey pertinent information to shareholders. This is achieved by providing shareholders, through the Company's website, avenues to request for information via subscribing for email updates and providing shareholders with an investor relations contact, including email address and telephone/fax numbers, for shareholders to contact the Company. The investor relations contact person can be reached at ir@avi-tech.com.sg, by telephone at +65 6482 6168, or by fax at +65 6482 6123.
12.2	The company has in place an investor relations policy which allows for an ongoing exchange of views so as to actively engage and promote regular, effective and fair communication with shareholders.	The Company does not currently have a written investor relations policy, which constitutes a variation from Provision 12.2 of the Code. The Company is of the view that the intent of Principle 12 is met, as there is a section on "Investor Relations" on the Company's website. From this section, the Company's latest annual reports, financial results, corporate announcements and stock information can be assessed. Shareholders and investors may also communicate with the Company and, as the case may be, submit any request for information, notices of interests or questions, via the Company's investor relations email address at ir@avi-tech.com.sg, through which shareholders may contact the Company with questions and through which the Company may respond to such questions. Moreover, the Board endeavours to establish and maintain regular dialogue with shareholders (including institutional and retail investors), to solicit and understand their views or gather inputs, and address shareholders' concerns. When circumstances permit and where appropriate, the Company undertakes regular analyst briefings to provide market updates on the Group's business and plans.
12.3	The company's investor relations policy sets out the mechanism through which shareholders may contact the company with questions and through which the company may respond to such questions.	Please refer to our disclosure in respect of Provisions 12.1 and 12.2 above.

Principle		
13.	The Board adopts an inclusive approach by considering and balancing the needs and interest stakeholders, as part of its overall responsibility to ensure that the best interests of the company	
Provision		Disclosure
13.1	The company has arrangements in place to identify and engage with its material stakeholder groups and to manage its relationships with such groups.	Stakeholder engagement forms an integral part of the Company's sustainability approach. The Company's stakeholders have a interest in the Company's business and influences the Company' operations, products and services, business approach an strategies. The Company's stakeholders have been identified as incustomers, business partners and suppliers, shareholders, employees government/regulatory agencies and the community.
		The Company proactively engages with its stakeholders on a regula continuing basis through various channels and means to gain insigh to their expectations and concerns and use these learnings to mak informed management decisions in shaping the Company's business policies and strategies, so as to create sustainable business growt and value for all stakeholders.
13.2	The company discloses in its annual report its strategy and key areas of focus in relation to the management of stakeholder relationships during the reporting period.	How the Company engages with its diverse stakeholders, the expectations and concerns, and how the Company responds them are detailed in the Company's sustainability report. Avi-Tec Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd published its first sustainability report for the financial year ende 30 June 2018, and the Company has published its latest annual sustainability report (the "Sustainability Report") within 4 months at the end of the financial year, in accordance with Rule 711A and Practice Note 7.6, paragraph 6.1 of the Listing Rules and the sam will be uploaded on the Company's website as well as on SGXNET
		In defining the Company's sustainability reporting content, the Company applies the Global Reporting Initiative (GRI) standards be considering the Group's activities, impact and substantive expectation and interests of its stakeholders. The Sustainability Report will be one "comply or explain" basis in accordance with Practice Note 7.6 of the Listing Rules. Corresponding to GRI's emphasis on materiality, the Sustainability Report will highlight the key economic, environmental social and governance related initiatives carried out throughout the financial year under review. Further details on the Company's sustainability practices will be contained in the Sustainability Report
		A copy of the sustainability report is available for downloa at www.avi-tech.com.sg and feedback from all stakeholders as welcomed. All questions, comments, suggestions or feedback cobe sent to the Company at ir@avi-tech.com.sg.

GOVERNANCE REPORT

13.3	The company maintains a current corporate website to communicate and engage with stakeholders.	Please refer to our disclosure in respect of Provisions 13.1 and 13.2 above.
GENERA	L	
14.	Securities Transactions	On 13 February 2020, Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) announced that it will not be performing quarterly reporting of its financial results as it is not required to do so in view of the amendments to the Listing Rules with effect from 7 February 2020. In line with the requirements under Rule 1207(19) of the Listing Rules, the Group has issued policies on share dealings by Directors and key officers of the Company, setting out the implications of insider trading and recommendations of best practices. Directors and all Executive Officers are advised not to deal in the Company's shares on short-term considerations or when they are in possession of material unpublished price-sensitive information. The Company also prohibits its officers from dealing in the Company's shares, during the periods commencing one month before the announcement of the Group's half-year and full-year results and, ending on the date of the announcement of such results, or when they are in possession of unpublished price-sensitive information on the Group.
15.	Interested Person Transactions	The Company has established procedures to ensure that all transactions with interested persons are reported in a timely manner to the ARC. According to the ARC's terms of reference, the ARC shall, inter alia, review all interested person transactions and related party transactions to ensure that they are on normal commercial terms, and that they do not prejudice the interests of the Company or its minority shareholders, and determine methods or procedures for checking that the transaction prices are adequate for transactions to be carried out on normal commercial terms and that they will not prejudice the Company or its minority shareholders.
		The Board confirms that there is no material interested person transaction entered into during the financial year under review which fall under Rule 907 of the Listing Rules. The Company has no shareholder mandate pursuant to Rule 920 of the Listing Rules.
16.	Material Contracts	There are no material contracts (including loans) of the Group involving the interests of the CEO, any Director or controlling shareholder which are either still subsisting at the end of the financial year under review or if not then subsisting, entered into since the end of the previous financial year, that is required to be disclosed under Rule 1207(8) of the Listing Rules.

CORPORATE GOVERNANCE REPORT

17.	Corporate Social Responsibility	The Group is committed to enhancing the well-being of the command maintaining a sustainable environment in the location it operates. STATEMENTS

DIRECTORS' STATEMENT

The directors present their statement together with the audited consolidated financial statements of the Group and statement of financial position and statement of changes in equity of the Company for the financial year ended 30 June 2022.

In the opinion of the directors, the consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company as set out on pages 81 to 127 are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 30 June 2022 and the financial performance, changes in equity and cash flows of the Group and changes in equity of the Company for the financial year then ended and at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

1 DIRECTORS

The directors of the Company in office at the date of this statement are:

Lim Eng Hong
Goh Chung Meng
Khor Thiam Beng
Michael Grenville Gray
Lim Tai Meng Alvin

(Appointed on 1 October 2021)
(Appointed on 1 October 2021)
(Appointed on 1 October 2021)

2 ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE BENEFITS BY MEANS OF THE ACQUISITION OF SHARES OR DEBENTURES

Neither at the end of the financial year nor at any time during the financial year did there subsist any arrangement whose object is to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures in the Company or any other body corporate.

3 DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

The directors of the Company holding office at the end of the financial year had no interests in the share capital and debentures of the Company and related corporations as recorded in the register of directors' shareholdings kept by the Company under Section 164 of the Companies Act 1967 except as follows:

	Sho in t	ireholdings registe he names of direc	ered ctors	Shareholdings in which directors are deemed to have an interest			
Names of directors and company in which interests are held The Company (Ordinary shares)	At beginning of the year or date of appointment, if later	At end of the year	At 21 July 	At beginning of the year or date of appointment, if later	At end of the year	At 21 July

By virtue of Section 7 of the Companies Act 1967, Mr Lim Eng Hong is deemed to have an interest in all the ordinary shares of the subsidiaries of the Company.

4 SHARE OPTIONS AND SHARE PLAN

(a) Options to take up unissued shares

During the financial year, no option to take up unissued shares of the Company or any corporation in the Group was granted.

(b) Options exercised

During the financial year, there were no shares of the Company or any corporation in the Group issued by virtue of the exercise of an option to take up unissued shares.

(c) Unissued shares under options

At the end of the financial year, there were no unissued shares of the Company or any corporation in the Group under options.

(d) Avi-Tech Restricted Share Plan 2021 ("RSP 2021")

With respect to the matters set out in Rule 852 of the Listing Rules and Rule 14 of the rules of the RSP 2021, the Company wishes to disclose that: (i) the Board will nominate the members of the committee which will administer the RSP 2021; and (ii) the Company has not granted any awards under the RSP 2021, and no shares have been issued or transferred in connection with the RSP 2021.

5 AUDIT AND RISK COMMITTEE

The Audit and Risk Committee (the "Committee"), consisting all non-executive and independent directors, is chaired by Mr Michael Grenville Gray and includes Mr Goh Chung Meng and Mr Khor Thiam Beng. The Committee has met 4 times and has reviewed the following, where relevant, with the executive directors and external and internal auditors of the Company:

- (a) the external auditor's audit plans;
- (b) the audit plan and results of the internal auditor's examination and evaluation of the Group's systems of internal accounting controls;
- (c) the Group's financial and operating results and accounting policies;
- (d) the consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company before their submission to the directors of the Company and external auditor's report on those financial statements;
- (e) the quarterly, half-yearly and annual as well as the related press releases on the results and financial position of the Group;
- (f) the interested person transactions as specified under Chapter 9 of the SGX-ST Listing Manual Rules;
- (g) the cooperation and assistance given by the management to the Group's external auditors;
- (h) the re-appointment of the external auditors of the Group; and
- (i) the independence of external auditors.

DIRECTORS' STATEMENT

5 AUDIT AND RISK COMMITTEE (CONTINUED)

The Committee has full access to and has the cooperation of the management and has been given the resources required for it to discharge its function properly. It also has full discretion to invite any director and executive officer to attend its meetings. The external and internal auditors have unrestricted access to the Committee.

The Committee has recommended to the directors the nomination of Deloitte & Touche LLP for re-appointment as external auditors of the Group at the forthcoming Annual General Meeting ("AGM") of the Company.

6 AUDITORS

The auditors, Deloitte & Touche LLP, have expressed their willingness to accept re-appointment.

on behalf of the directors
Lim Eng Hong
Khor Thiam Beng

30 September 2022

TO THE MEMBERS OF AVI-TECH HOLDINGS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Avi-Tech Holdings Limited (the "Company") and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 30 June 2022, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group and the statement of changes in equity of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 81 to 127.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 ("the Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 June 2022 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and changes in equity of the Company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Allowance for slow-moving and obsolete inventories

[Refer to Note 11 to the financial statements]

Background:

As at 30 June 2022, the Group's inventories of \$3,779,000 accounted for approximately 8.3% of total current assets of the Group. Allowance for inventory obsolescence as at 30 June 2022 amounted to \$1,179,000.

Management's assessment of allowance for slow-moving and obsolete inventories involves significant estimation with consideration in relation to possible future use of the aged inventory items as well as the demand for on-going production and the ability to sell the products at prices above costs.

AUDITOR'S REPORT

TO THE MEMBERS OF AVI-TECH HOLDINGS LIMITED

Allowance for slow-moving and obsolete inventories (Continued)

Our response:

We have performed procedures to evaluate the design of the relevant controls for assessment of allowance for slow-moving and obsolete inventories and determine whether those relevant controls have been implemented.

We have obtained an understanding of the profile of inventories, management's controls over inventory levels, purchasing policy and expected usage for ongoing production.

We have evaluated management's assumptions used in the assessment of inventory allowance, checked the calculations supporting the allowance and tested the ageing reports used as a basis to assess the allowance.

We have assessed the reasonableness of management's estimation of future utilisation and saleability of the inventories in the current economic conditions, taking into consideration the nature of the inventories and the industry in which the entity operates, in determining the recoverability of the inventory balances.

We made enquiries with warehouse personnel during the physical inventory count regarding the presence of damaged inventories. On a sample basis, we tested the valuation of inventories by comparison with latest purchase and selling prices.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

to the members of avi-tech holdings limited

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
 to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
 or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
 whether the financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

• INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AVI-TECH HOLDINGS LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Tan Puay Boon.

30 JUNE 2022

1 GENERAL

The Company (Registration No. 202002889W) is incorporated in Singapore with its principal place of business and registered office at 19A Serangoon North Avenue 5, Singapore 554859. The Company is listed on the mainboard of the Singapore Exchange Securities Trading Limited. The financial statements are expressed in Singapore dollars, which is the functional currency of the Company and presentation currency for the consolidated financial statements.

The principal activity of the Company is that of investment holding.

The principal activities of its subsidiaries are set out in Note 13.

The consolidated financial statements of the Group and statement of financial position and statement of changes in equity of the Company for the financial year ended 30 June 2022 were authorised for issue by the Board of Directors on 30 September 2022.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION – The Group completed a corporate restructuring exercise during the year through which the Company acquired all the issued and paid-up ordinary shares of Avi-Tech Electronics Limited through the issuance of ordinary shares in exchange for Avi-Tech Electronics Limited's ordinary shares. Consequently, the Company became the ultimate holding company of the Group. The Group resulting from the restructuring is regarded as a continuing entity throughout the year ended 30 June 2022 and for the year ended 30 June 2021 as the shareholders and management of the Group remain the same as those of Avi-Tech Electronics Limited.

BASIS OF ACCOUNTING – The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below, and are drawn up in accordance with the provisions of the Companies Act 1967 and Singapore Financial Reporting Standards (International) ("SFRS(I)s").

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of SFRS(I) 2 Share-based Payment, leasing transactions that are within the scope of SFRS(I) 16 Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in SFRS(I) 1-2 Inventories or value in use in SFRS(II) 1-36 Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADOPTION OF NEW AND REVISED STANDARDS – On 1 July 2021, the Group and the Company adopted all the new and revised SFRS(I) pronouncements that are relevant to its operations. The adoption of these new/revised SFRS(I) pronouncements does not result in changes to the Group's and the Company's accounting policies and has no material effect on the amounts reported for the current or prior years.

STANDARDS ISSUED BUT NOT EFFECTIVE – Management anticipates that the adoption of the new SFRS(I) pronouncements that were issued but not effective at the date of authorisation of these financial statements in future periods will not have a material impact on the financial statements of the Group and the Company in the period of their initial adoption.

BASIS OF CONSOLIDATION – The consolidated financial statements incorporate the financial statements of the Company and entities (including structured entities) controlled by the Company and its subsidiaries. Control is achieved when the Company:

- Has the power over the investee;
- Is exposed, or has rights, to variable returns from its involvement with the investee; and
- Has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- The size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- Potential voting rights held by the Company, other vote holders or other parties;
- Rights arising from other contractual arrangements; and
- Any additional facts and circumstances that indicate that the Company has, or does not have, the current
 ability to direct the relevant activities at the time that decisions need to be made, including voting patterns
 at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, the results of subsidiaries acquired or disposed of during the year are included in profit or loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the group are eliminated on consolidation.

In the Company's financial statements, investment in subsidiaries is carried at cost less any impairment in net recoverable value that has been recognised in the profit or loss.

FINANCIAL INSTRUMENTS – Financial assets and financial liabilities are recognised in the statements of financial position when the Group and Company become a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value, except for trade receivables that do not have a significant financing component which are measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All financial assets are recognised and de-recognised on a trade date basis where the purchase or sale of financial assets is under a contract whose terms require delivery of assets within the time frame established by the market concerned.

All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are measured subsequently at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost and effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period.

For financial assets other than purchased or originated credit-impaired financial assets (i.e. assets that are credit-impaired on initial recognition), the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses, through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

Interest income is recognised in profit or loss using the effective interest method for debt instruments measured subsequently at amortised cost, except for short-term balances when the effect of discounting is immaterial.

Foreign exchange gains and losses

The carrying amount of financial assets that are denominated in a foreign currency is determined in that foreign currency and translated at the spot rate as at each reporting date. Specifically, for financial assets measured at amortised cost that are not part of a designated hedging relationship, exchange differences are recognised in profit or loss in the "administrative expenses" line item.

Impairment of financial assets

The Group recognises a loss allowance for expected credit losses ("ECL") on investments in debt instruments that are measured at amortised cost. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial asset.

The Group always recognises lifetime ECL for trade receivables. The expected credit losses on these financial assets are estimated using a provision matrix based on the Group's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial assets, the Group recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. However, if the credit risk on the financial asset has not increased significantly since initial recognition, the Group measures the loss allowance for that financial asset at an amount equal to 12 months ECL.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial asset. In contrast, 12 months ECL represents the portion of lifetime ECL that is expected to result from default events on a financial asset that are possible within 12 months after the reporting date.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Significant increase in credit risk

In assessing whether the credit risk on a financial asset has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort. Forward-looking information considered includes the future prospects of the industries in which the Group's debtors operate, as well as consideration of various external sources of actual and forecast economic information that relate to the Group's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;
- an actual or expected significant deterioration in the operating results of the debtor; or
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Group presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Group has reasonable and supportable information that demonstrates otherwise.

Despite the aforegoing, the Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the reporting date. A financial asset is determined to have low credit risk if i) the financial asset has a low risk of default, ii) the borrower has a strong capacity to meet its contractual cash flow obligations in the near term and iii) adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

The Group considers a financial asset to have low credit risk when it has an external credit rating of "investment grade" in accordance with the globally understood definition or if an external rating is not available, the asset has an internal rating of 'performing'. Performing means that the counterparty has a strong financial position and there is no past due amount.

The Group regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Definition of default

When information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Group, in full (without taking into account any collaterals held by the Group), the Group considers this as constituting an event of default for internal credit risk management purposes, as historical experience indicates that receivables that meet this criteria are generally not recoverable.

Irrespective of the above analysis, the Group considers that default has occurred when a financial asset is more than 90 days past due unless the Group has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- (a) significant financial difficulty of the debtor;
- (b) a breach of contract, such as a default or past due event; or
- (c) it is becoming probable that the debtor will enter bankruptcy or other financial reorganisation.

Write-off policy

The Group writes off a financial asset when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above. As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date.

For financial assets, the expected credit loss is estimated as the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

If the Group has measured the loss allowance for a financial asset at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Group measures the loss allowance at an amount equal to 12 months ECL at the current reporting date except for assets for which the simplified approach was used.

The Group recognises an impairment gain or loss in profit or loss for all financial assets with a corresponding adjustment to their carrying amount through a loss allowance account.

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a group entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial liabilities

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not 1) contingent consideration of an acquirer in a business combination, 2) held-for-trading, or 3) designated as at FVTPL, are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost as at each reporting date, the foreign exchange gains and losses are determined based on the amortised cost of the instruments. These foreign exchange gains and losses are recognised in profit or loss in the "administrative expenses" line item.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

LEASES

The Group as lessee

The Group assesses whether a contract is or contains a lease, at inception of the contract. The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses the incremental borrowing rate.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The incremental borrowing rate depends on the term, currency and start date of the lease and is determined based on the rate of interest that a lessee would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives; and
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date.

The lease liability is presented as a separate line in the statement of financial position.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- the lease term has changed in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- the lease payments change due to changes in an index or rate in which case the lease liability is remeasured by discounting the revised lease payments using the initial discount rate; or
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate at the effective date of modification.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day, less any lease incentives received and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under SFRS(I) 1-37. To the extent that the costs relate to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Group expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

The right-of-use assets are presented as a separate line in the statement of financial position.

The Group applies SFRS(I) 1-36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Group as lessor

The Group enters into lease agreements as a lessor with respect to its property.

Leases for which the Group is a lessor are classified as operating leases.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

When a contract includes lease and non-lease components, the Group applies SFRS(I) 15 to allocate the consideration under the contract to each component.

INVENTORIES – Inventories are stated at the lower of cost (weighted-average method) and net realisable value. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

PROPERTY, PLANT AND EQUIPMENT – Property, plant and equipment are carried at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is charged so as to write off the cost of assets over their estimated useful lives using the straight-line method on the following basis:

Building – 60 years
Leasehold improvements – 5 years
Plant and equipment – 3 to 10 years
Computer software – 3 years

Fully depreciated property, plant and equipment still in use are retained in the financial statements.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

INTANGIBLE ASSETS – Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed as at each reporting date, with the effect of any changes in estimate being accounted for on a prospective basis.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

IMPAIRMENT OF NON-FINANCIAL ASSETS – At each reporting date, the Group reviews the carrying amounts of its non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss to the extent that it eliminates the impairment loss which has been recognised for the asset in prior years.

ASSOCIATE – An associate is an entity over which the Group has significant influence and that is neither a subsidiary nor an interest in a joint venture. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The results and assets and liabilities of associates are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment is classified as held for sale, in which case it is accounted for in accordance with SFRS(I) 5.

Under the equity method, an investment in an associate is initially recognised in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate. When the Group's share of losses of an associate exceeds the Group's interest in that associate (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

Investment in an associate is accounted for using the equity method from the date on which the investee becomes an associate. On acquisition of the investment in an associate, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The requirements of SFRS(I) 1-36 are applied to determine whether it is necessary to recognise any impairment loss with respect to the Group's investment in an associate. When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with SFRS(I) 1-36 as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs to sell) with its carrying amount, any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with SFRS(I) 1-36 to the extent that the recoverable amount of the investment subsequently increases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate. When the Group retains an interest in the former associate and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with SFRS(I) 9. The difference between the carrying amount of the associate at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate is included in the determination of the gain or loss on disposal of the associate. In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate on the same basis as would be required if that associate had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the associate is disposed of.

When the Group reduces its ownership interest in an associate but the Group continues to use the equity method, the Group reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be reclassified to profit or loss on the disposal of the related assets or liabilities.

When a group entity transacts with an associate of the Group, profits and losses resulting from the transactions with the associate are recognised in the Group's consolidated financial statements only to the extent of interests in the associate that are not related to the Group.

PROVISIONS – Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

GOVERNMENT GRANTS – Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Group should purchase, construct or otherwise acquire non-current assets (including property, plant and equipment) are recognised as deferred income in the consolidated statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognised in profit or loss in the period in which they become receivable.

REVENUE RECOGNITION – Revenue is measured based on the consideration specified in a contract with a customer and excludes amount collected on behalf of third parties. The Group recognises revenue from the following major sources when it transfers control of a product or service to a customer. The Group has generally concluded that it is the principal in its revenue arrangements and records revenue on a gross basis because it typically controls the goods or services before transferring them to the customer.

Burn-In and Related Services

The Group provides Static Burn-In, Dynamic Burn-In, Test During Burn-In and High Power Burn-In for semiconductor manufacturers. The Group serves the segment of the industry that requires fail-safe or high reliability semiconductor devices, including automotive and microprocessor products. Revenue is recognised at the point in time upon completion of services.

Burn-In Boards and Boards Related Products

The Group is involved in the designing and manufacturing of a wide range of Burn-In boards for the various types of Burn-In systems as well as boards for other types of reliability tests such as High Temperature Operating Life Test and Highly Accelerated Stress Test.

Revenue is recognised at the point in time when control of the goods is transferred to the customer, generally on delivery of the Boards to the customer's specific location or upon acceptance by the customer.

Engineering Services and Equipment Distribution

The Group provides services ranging from design, development and full turnkey outsourced manufacturing and system integration of semiconductor equipment to lab automation systems for the life sciences and biotech industries.

Revenue is recognised at the point in time when control of the assembled equipment/system is transferred to the customer, generally on delivery of the equipment/system to the customer's specific location.

Dividend income

Dividend income from investments is recognised when the shareholders' rights to receive payment have been established.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

BORROWING COSTS – Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

RETIREMENT BENEFIT COSTS – Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions. Payments made to state-managed retirement benefit plans are accounted for as payments to defined contribution plans where the Group's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan.

EMPLOYEE LEAVE ENTITLEMENT – Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

INCOME TAX - Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in profit or loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted in the countries where the Company and its subsidiaries operate by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on the differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries and associates, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

30 JUNE 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised based on the tax laws and rates that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognised in profit or loss.

FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION – The individual financial statements of each group entity are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are presented in Singapore dollars, which is the functional currency of the Company, and the presentation currency for the consolidated financial statements.

In preparing the financial statements of the group entities, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing on the dates of the transactions. At each reporting date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in profit or loss in the period in which they arise.

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated at exchange rates prevailing on the reporting date. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in a foreign exchange translation reserve (attributed to non-controlling interests as appropriate).

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign operation, or a disposal involving loss of control over a subsidiary that includes a foreign operation or a partial disposal of an interest in a joint arrangement or an associate that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in a foreign exchange translation reserve in respect of that operation attributable to the owners of the Company are reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that includes a foreign operation that does not result in the Group losing control over the subsidiary, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss. For all other partial disposals (i.e. partial disposals of associates or joint arrangements that do not result in the Group losing significant influence or joint control), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

CASH AND CASH EQUIVALENTS IN THE STATEMENT OF CASH FLOWS – Cash and cash equivalents in the statement of cash flows comprise cash on hand, cash at bank and demand deposits that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In applying the Group's accounting policies, which are described in Note 2, management is required to make judgements (other than those involving estimations) that have a significant impact on the amounts recognised and to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Group's accounting policies

Management is of the view that no critical judgement was made in the process of applying the Group's accounting policies that would have a significant effect on the amounts recognised in the financial statements, apart from those involving estimations as below.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Allowance for inventories

The Group reviews the carrying value of its inventories so that they are stated at the lower of cost and net realisable value. In assessing net realisable value, management identifies inventories where there has been a significant decline in price or cost, aged inventory items and inventory items that may not be realised as a result of certain events, and estimates the recoverable amount of such inventory based on values at which such inventory items are expected to be realised at the end of the reporting period. Management also reviews the possible future use of the aged inventory items as well as the demand for on-going production and the ability to sell the products at prices above costs, taking into consideration the widespread impact of COVID-19 on the general economic conditions and market demand.

The carrying amount of inventories of the Group at the end of the reporting period was 3,779,000 (2021: 2,953,000), net of allowance amounted to 1,179,000 (2021: 1,356,000). Allowance for inventories of 3,000 (2021: 217,000) was made during the year.

30 JUNE 2022

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (CONTINUED)

Calculation of loss allowance for trade receivables

The Group uses provision matrix to calculate ECLs for trade receivables. The provision rates are based on days past due for groupings of various customer segments that have similar loss patterns. The provision matrix is initially based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust historical credit loss experience with forward-looking information, where appropriate.

At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. Despite the current market conditions with uncertainties and volatility caused by the COVID-19 pandemic, the Group has observed payments from customers continue to be forthcoming and therefore, the Group expects the probability of default to remain low.

The carrying amount of trade receivables of the Group at the end of the reporting period is disclosed in Note 9.

Impairment of property, plant and equipment

The Group assesses at the end of each reporting period whether property, plant and equipment have any indication of impairment. If there are indicators of impairment, the recoverable amount of property, plant and equipment will be determined based on higher of value in use calculations or the fair value less costs to sell.

A considerable amount of judgement is required in determining the recoverable amount of the property, plant and equipment, which among other factors, the recent transaction prices for similar assets, the condition, utility, age, wear and tear and/or obsolescence of the property, plant and equipment.

The carrying amount of property, plant and equipment of the Group at the end of the reporting period is disclosed in Note 15.

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT

(a) Categories of financial instruments

The following table sets out the financial instruments as at end of the reporting period:

	Group		Company	
	2022 \$'000	2021 \$'000	2022 \$'000	2021 \$'000
Financial assets				
Financial assets at amortised cost	41,825	43,807	18,720	
Financial liabilities				
Financial liabilities at amortised cost	4,538	5,220	139	

(1) Less than one thousand

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT (CONTINUED)

(b) Financial risk management policies and objectives

The Group's overall financial risk management strategy is to minimise potential adverse effects of financial performance of the Group. The board of directors reviews the overall financial risk management on specific areas, such as market risk (including foreign exchange risk, interest rate risk), credit risk, liquidity risk, use of derivative financial instruments and investing excess cash. These are reviewed quarterly by the board of directors. Risk management is carried out by the finance department under the oversight by the board of directors.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risk. Market risk exposures are measured using sensitivity analysis indicated below.

(i) Credit risk management

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in financial loss to the Group.

The Group's maximum exposure to credit risk without taking into account any collateral held or other credit enhancements, which will cause a financial loss to the Group due to failure to discharge an obligation by the counterparties arises from the carrying amounts of the respective recognised financial assets as stated in the consolidated statement of financial position.

The Group develops and maintains its credit risk gradings to categorise exposures according to their degree of risk of default. The Group uses its own trading records to rate its major customers and other debtors

The Group's current credit risk grading framework comprises the following categories:

Category	Description	Basis for recognising expected credit losses ("ECL")
Performing	The counterparty has a low risk of default and does not have any past-due amounts.	Trade receivables: Lifetime ECL – not credit-impaired
		Other receivables: 12-month ECL
Doubtful	Amount is >30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime ECL – not credit-impaired
In default	Amount is >90 days past due or there is evidence indicating the asset is credit-impaired.	Lifetime ECL – credit-impaired
Write-off	There is evidence indicating that the debtor is in severe financial difficulty and the Group has no realistic prospect of recovery.	Amount is written off

30 JUNE 2022

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT (CONTINUED)

The table below details the credit quality of the Group's and Company's financial assets as well as maximum exposure to credit risk by credit risk rating grades:

	Note	Internal credit rating	12-month or lifetime ECL	Gross carrying amount \$'000	Loss allowance \$'000	Net carrying amount \$'000
Group 2022

2021						
Other receivables	10	Performing	12-month ECL	_(1)		_(1)

⁽¹⁾ Less than one thousand

⁽i) The Group and Company determine the expected credit losses on trade receivables by using a provision matrix, estimated based on historical credit loss experience based on the past due status of the debtors, adjusted as appropriate to reflect current conditions and estimates of future economic conditions, where relevant.

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT (CONTINUED)

Cash and fixed deposits are held with creditworthy financial institutions and are subject to immaterial credit loss.

Before accepting any new customer, management assesses the potential customer's credit quality and defines credit limits by customer. Limits granted to customers are reviewed periodically. The Group's exposure to credit risks and the credit limits to counterparties are continuously monitored. The Group monitors collections due and follows up with debtors as part of the credit management process.

The Group is exposed to concentration of credit risk given that its revenue is generated mainly from five (2021: five) major customers, which accounted for 57% (2021: 74%) of the carrying amount of trade receivables. Management believes that the risk of default is mitigated by the good financial standings of these customers.

(ii) Interest rate risk management

Details of the interest-earning and interest-bearing financial assets and financial liabilities of the Group are disclosed in Notes 7 and 20 respectively. The Group does not use derivative financial instruments to mitigate this risk.

No sensitivity analysis is prepared as the Group does not expect any material effect on the Group's profit or loss arising from the effects of reasonably possible changes to interest rates on interest bearing financial instruments at the end of the reporting period.

(iii) Foreign exchange risk management

The Group is exposed to foreign exchange risk due to business transactions denominated in foreign currencies. Significant foreign currencies include United States dollar and Chinese renminbi.

The exposure to the foreign exchange risk is managed as far as possible by natural hedges of matching assets and liabilities.

The carrying amounts of significant monetary assets and monetary liabilities denominated in currencies other than the respective group entities' functional currency at the reporting date are as follows:

	Assets		Liabilities	
	2022	2021	2022	2021
	\$'000	\$'000	\$'000	\$'000
Group				
United States dollar	6,071	8,938	2,193	3,112
Chinese renminbi	2,258	<u>769</u>	3	

30 JUNE 2022

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT (CONTINUED)

Foreign currency sensitivity

The following table details the sensitivity to a 5% increase and decrease in the relevant foreign currencies against the functional currency of each group entity. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis below includes only significant outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates.

If the relevant foreign currencies strengthen by 5% against the functional currency of each group entity, the Group's profit before tax will increase (decrease) by:

	Gro	Group	
	2022	2021	
	\$′000	\$'000	
United States dollar	194	291	
Chinese renminbi	113	38	

If the relevant foreign currencies weaken by 5% against the functional currency of each group entity, there would be an equal and opposite impact on the Group's profit before tax.

The Company does not have significant exposure to exchange rate fluctuations.

(iv) Liquidity risk management

The Group has sufficient cash resources and maintains adequate lines of credit to finance its activities. The current market uncertainty as a result of the COVID-19 pandemic has increased liquidity risk as the future operating cash flows may be impacted. However, with strong working capital and cash reserve, the Group has assessed liquidity risk to be sufficiently mitigated.

Liquidity and interest risk analyses

Non-derivative financial liabilities

The following tables detail the remaining contractual maturity for non-derivative financial liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group and Company can be required to pay. The table includes both interest and principal cash flows.

30 JUNE 2022

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT (CONTINUED)

The contractual maturity is based on the earliest date on which the Group and Company may be required to pay.

Group	Weighted average effective interest rate %	On demand or within 1 year \$'000	Within 2 to 5 years \$'000	After 5 years \$'000	Adjustment	Total \$'000

(v) Fair value of financial assets and financial liabilities

Management considers that the carrying amounts of financial assets and financial liabilities recorded at amortised cost in the financial statements to approximate their respective fair values due to the relatively short-term maturity of these financial assets and financial liabilities and the interest rates approximating market rates.

30 JUNE 2022

Group

4 FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT (CONTINUED)

(c) Capital management policies and objectives

The Group manages its capital to ensure that entities in the Group will be able to continue as a going concern while maximising the return to shareholders through the optimisation of the debt and equity balance.

The capital structure of the Group consists of net debt (lease liabilities disclosed in Note 20 after deducting cash and bank balances) and equity of the Group (comprising issued capital, reserves and retained earnings).

The Group's overall strategy remains unchanged from prior year.

5 RELATED PARTY TRANSACTIONS

Some of the transactions and arrangements of the Group are with related parties and the effect of these on the basis determined between the parties is reflected in these financial statements. Unless otherwise stated, the balances are unsecured, interest-free and repayable on demand.

Compensation of directors and key management personnel

The remuneration of directors and key management during the year is as follows:

	· • P

Outside parties	8,049	7,890	_	_	
Subsidiary			12		
	8,049	7,890	12		

As at 1 July 2020, trade receivables from contracts with customers of the Group amounted to \$4,633,000.

Trade receivables are non-interest bearing and are generally on 60 days (2021: 60 days) credit terms.

Loss allowance for trade receivables is measured at an amount equal to lifetime expected credit losses (ECL). The ECL on trade receivables are estimated using a provision matrix by reference to past default experience of the debtor and an analysis of the debtor's current financial position, adjusted for factors that are specific to the debtors and considering general economic conditions of the industry in which the debtors operate at the reporting date, where applicable.

FINANCIAL STATEMENTS

30 JUNE 2022

9 TRADE RECEIVABLES (CONTINUED)

There has been no change in the estimation techniques during the current reporting period.

A trade receivable is written off when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery.

The following table details the risk profile of trade receivables from contracts. As the Group's historical loss experience does not show significantly different loss patterns for different customer segments, the provision for loss allowance based on past due status is not further distinguished between the different customer base.

	Trade receivables – days past due					
	Not past	Within	31 to	61 to	More than	
	due	30 days	60 days	90 days	90 days	Total

of property, plant and equipment	1,042			

⁽¹⁾ Less than one thousand

30 JUNE 2022

10 OTHER RECEIVABLES AND PREPAYMENTS (CONTINUED)

Other receivables are considered to have low risk of default as they are not due for payment at the end of the reporting period and there has been no significant increase in the risk of default on the receivables since initial recognition. Accordingly, for the purpose of impairment assessment for these receivables, the loss allowance is measured at an amount equal to 12-month ECL.

In determining the ECL, management has taken into account the historical default experience and the financial position of the counterparties, adjusted for factors that are specific to the debtors and general economic conditions of the industry in which the debtors operate, in estimating the probability of default as well as the loss upon default.

There has been no change in the estimation techniques during the current reporting period.

	\$′000	\$'000
Bond, at amortised cost	500	500
Less: Loss allowance	(500)	(500)
	_	_
		

FINANCIAL STATEMENTS

30 JUNE 2022

12 OTHER FINANCIAL ASSET AT AMORTISED COST (CONTINUED)

The bond has nominal value amounting to \$500,000 with coupon rate of 4.25% per annum and had matured on 7 September 2018.

For purpose of impairment assessment, the investment in debt security is assessed for any significant increase in credit risk since initial recognition. Accordingly, the loss allowance is measured either at an amount equal to 12-month expected credit losses (ECL) or at an amount equal to lifetime ECL.

In determining the ECL, management has taken into account the financial position of the counterparty, any default or past due event, as well as the future prospects of the industries in which the counterparty operates which are obtained from financial analyst reports and various external sources of actual and forecast economic information, as appropriate, in estimating the probability of default of this financial asset occurring within its loss assessment time horizon, as well as the loss upon default in each case.

Impairment loss on financial instrument measured at amortised cost was recognised in profit or loss in previous years due to issuer being placed under debt restructuring.

Management has determined fair value of the bond to be nil at the end of the reporting period as the bond had ceased trading in prior year.

13 SUBSIDIARIES

	Comp	Company		
	2022	2021		
	\$'000	\$'000		
Unquoted equity shares, at cost	51,464	(1)		

(1) Less than one thousand

Details of the Company's subsidiaries at the end of the reporting period are as follows:

Name of subsidiary	Country of Proportion of ownership incorporation interest and voting iary and operations power held		Principal activity	
		2022	2021	
		%	%	
Avi-Tech Electronics Pte. Ltd.(1)(2)	Singapore	100	_	Burn in services, board manufacturing, and engineering services
AVT Connect Pte. Ltd.(1)(2)	Singapore	100	_	Business support activities
Avi-Tech Electronics (Suzhou) Limited ⁽³⁾	People's Republic of China	100	_	Business support activities

(1) Audited by Deloitte & Touche LLP, Singapore.

(3) Incorporated on 29 June 2022.

^[2] During the year, the Company acquired Avi-Tech Electronics Limited and its subsidiaries through a corporate restructuring exercise by issuing ordinary shares in exchange for Avi-Tech Electronics Limited's ordinary shares and became the ultimate holding company of the Group. Avi-Tech Electronics Limited is now known as Avi-Tech Electronics Pte. Ltd.

30 JUNE 2022

14 ASSOCIATE

	Group	
	2022 \$′000	2021 \$′000
Cost of investment	500	500
Share of loss of associate Less: Allowance for impairment	(132) (168)	(90)
	200	410

During the year, the Group recognised an impairment loss of \$168,000 (2021: \$Nil) against the carrying amount of its investment in associate, being the difference between the carrying amount of the Group's investment and the fair value less costs of disposal of the associate. The fair value of the associate estimated by management is based on the expected investment value of the associate in the upcoming investors' funding.

Details of the Group's associate at the end of the reporting period are as follows:

Name of associate	Country of incorporation and operations	interest a	of ownership nd voting r held	Principal activity
		2022	2021	
		%	%	
Movel Al Pte Ltd ⁽¹⁾	Singapore	9	9	Al-Based Autonomous Navigation Software

⁽¹⁾ The Group has significant influence over Movel AI Pte Ltd by virtue of its contractual right to appoint one out of three directors to the board of that company, based on definition under SFRS(I) 1-28.

Changes in liabilities arising from financing activities

The table below details changes in the Group's liabilities arising from financing activities, including both cash and non-cash changes. Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the Group's consolidated statement of cash flows as cash flows from financing activities.

	1 July 2021 \$′000	Financing cash flows \$'000	Revision of lease payments \$'000	30 June 2022 \$'000
Lease liabilities	1,275	(237)		1,038
	1 July 2020 \$'000	Financing cash flows \$'000	Revision of lease payments \$'000	30 June 2021 \$'000
Lease liabilities	1,517	(263)	21	1,275

21 DEFERRED TAX LIABILITIES

The deferred tax liability mainly relates to the excess of tax over book depreciation of property, plant and equipment. The movements thereon, during the current and prior reporting periods are as follow:

	Group	
	2022 \$′000	2021 \$′000
At the beginning of year	1,103	928
Charged to profit or loss (Note 27)		175
At the end of year	1,103	1,103

Cancellation of treasury shares pursuant to				
corporate restructuring	(4,154)		(973)	
At the end of year		4,154		973

Prior to the corporate restructuring, the Group's ultimate holding company was Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) ("AVTE") which had an issued and paid-up share capital of \$31,732,000 amounting to 175,200,041 ordinary shares (including 4,154,000 treasury shares having an issued and paid-up share capital of \$973,000).

Pursuant to the corporate restructuring of AVTE by way of a scheme of arrangement, which became effective on 23 December 2021:

- (i) 4,154,000 treasury shares in AVTE having an issued and paid-up share capital of \$973,000 were cancelled, resulting in a reduction of AVTE's share capital on 22 December 2021; and
- (ii) 171,046,040 new ordinary shares amounting to \$30,759,000 in the capital of the Company were allotted and issued by the Company on 28 December 2021 to the shareholders of AVTE, on the basis of one (1) ordinary share in the Company for every one (1) ordinary share in AVTE held by all the then shareholders of AVTE, in consideration for the acquisition by the Company of all the existing ordinary shares in the share capital of AVTE.

30 JUNE 2022

23 CAPITAL RESERVE

This represents the difference between share capital of the Company which were issued in exchange for the ordinary shares of Avi-Tech Electronics Limited pursuant to the corporate restructuring as disclosed in Note 2 and the carrying amount of total equity of Avi-Tech Electronics Limited at the date of restructuring.

24 REVENUE

The Group derives its revenue from the transfer of goods and services at a point in time in the following major revenue streams which is consistent with the revenue information that is disclosed for each reportable segment under SFRS(I) 8 (Note 33).

A disaggregation of the Group's revenue for the year is as follows:

Огоор	
2022	2021
\$'000	\$'000
6,340	6,658
17,008	17,944
7,501	4,737
30,849	29,339
	2022 \$'000 6,340 17,008 7,501

25 OTHER OPERATING INCOME

	Group	
	2022 \$'000	2021 \$'000
Interest income	95	183
Rental income	528	469
Grant income	132	681
Gain on disposal of assets	16	_
Others	47	94
	818	1,427

In 2021, the Group received wage support for local employees under the Jobs Support Scheme and foreign worker levy rebate from the Singapore Government as part of the Government's measures to support businesses during the period of economic uncertainty impacted by COVID-19. The Group assessed that there is reasonable assurance that it will comply with the conditions attached to the grants and the grants will be received. Grant income is recognised in profit or loss over the periods in which the related salary costs for which the grant is intended to compensate is recognised as expenses.

33 SEGMENT INFORMATION

The Group is primarily engaged in three main operating divisions namely, Burn-In and related services, Burn-In boards and boards related products, and engineering services and equipment distribution. Management monitors performance by the three main operating divisions and the division results are provided to the chief operating decision maker.

Principal activities of each reportable segment are as follows:

Burn-In and Related Services ("Burn-In Services")

Burn-In is a process whereby the individual integrated circuit ("IC") chips is stressed at high temperature to weed out any defects caused during the assembly process.

Burn-In Boards and Boards Related Products ("Manufacturing and PCBA Services")

Manufacturing comprises the design and assembly of printed circuit boards used for Burn-In and reliability testing of IC chips.

Engineering Services and Equipment Distribution ("Engineering")

This includes system integration projects, equipment manufacturing, provision of technical services and distribution of third party products.

(a) Segment revenue and expenses

Segment revenue and expenses are revenue and expenses reported in the consolidated financial statements that either are directly attributable to a segment or can be allocated on a reasonable basis to a segment.

The accounting policies of the reportable segments are the same as the Group's accounting policies described in Note 2. Segment profit represents the profit earned by each segment without allocation of central administration costs, rental income, interest revenue and interest expense, and income tax expense. This is the measure reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance.

30 JUNE 2022

33 SEGMENT INFORMATION (CONTINUED)

(b) Segment assets and liabilities

Segment assets are all operating assets that are employed by a segment in its operating activities and are either directly attributable to the segment or can be allocated to the segment on a reasonable basis.

Segment liabilities are all operating liabilities that are employed by a segment in its operating activities and are either directly attributable to the segment or can be allocated to the segment on a reasonable basis.

For the purposes of monitoring segment performance and allocating resources between segments, the chief operating decision maker monitors the assets attributable to each segment.

All assets are allocated to reportable segments other than financial assets of cash, fixed deposits, other receivables, and investments. Assets used jointly by reportable segments are allocated on the basis of the revenues earned by individual reportable segments.

Segment revenue and results

The following is an analysis of the Group's revenue and results by reportable segment:

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the Annual General Meeting ("**AGM**") of Avi-Tech Holdings Limited (the "**Company**") will be convened and held at 19A Serangoon North Avenue 5, 6th floor, Singapore 554859 on Thursday, 27 October 2022 at 11.00 a.m. for the following purposes:

AS ORDINARY BUSINESS

- 1. To receive and adopt the Directors' Statement and the Audited Financial Statements of the Company for the year ended 30 June 2022 together with the Auditors' Report thereon. (Resolution 1)
- 2. To re-elect as Director Mr Lim Eng Hong who is retiring pursuant to Article 104(2) of the Company's Constitution and Rule 720(5) of the Listing Manual of the Singapore Exchange Securities Trading Limited ("SGX-ST").

 [See explanatory note (i)] (Resolution 2)
- 3. To record the retirement of Mr Khor Thiam Beng as a Director of the Company under Article 104(2) of the Company's Constitution and who has decided not to seek re-election.
 - (Note: The Board would like to express its appreciation to Mr Khor Thiam Beng for his invaluable contributions to the Board and Company).
- 4. To re-elect as Director Mr Goh Chung Meng who is retiring pursuant to Article 104(2) of the Company's Constitution. [See explanatory note (ii)] (Resolution 3)
- 5. That contingent upon the passing of Ordinary Resolution 3 above, pursuant to Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST, shareholders to approve Mr Goh Chung Meng's continued appointment as an Independent Director, this Resolution to remain in force until the earlier of his retirement or resignation as a Director or the conclusion of the third AGM following the passing of this Resolution.

 [See explanatory note (iii)] (Resolution 4)
- 6. That contingent upon the passing of Ordinary Resolutions 3 and 4 above, pursuant to Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST, shareholders (excluding the Directors and Chief Executive Officer of the Company, and associates of such Directors and Chief Executive Officer) to approve Mr Goh Chung Meng's continued appointment as an Independent Director, this Resolution to remain in force until the earlier of his retirement or resignation as a Director or the conclusion of the third AGM following the passing of this Resolution.

 [See explanatory note (iii)]
- 7. To re-elect as Director Mr Michael Grenville Gray who is retiring pursuant to Article 104(2) of the Company's Constitution.
 - [See explanatory note (iv)] (Resolution 6)
- 8. That contingent upon the passing of Ordinary Resolution 6 above, pursuant to Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST, shareholders to approve Mr Michael Grenville Gray's continued appointment as an Independent Director, this Resolution to remain in force until the earlier of his retirement or resignation as a Director or the conclusion of the third AGM following the passing of this Resolution.

 [See explanatory note (v)] (Resolution 7)
- 9. That contingent upon the passing of Ordinary Resolutions 6 and 7 above, pursuant to Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST, shareholders (excluding the Directors and Chief Executive Officer of the Company, and associates of such Directors and Chief Executive Officer) to approve Mr Michael Grenville Gray's continued appointment as an Independent Director, this Resolution to remain in force until the earlier of his retirement or resignation as a Director or the conclusion of the third AGM following the passing of this Resolution.

 [See explanatory note (v)]
- 10. To elect Mr Chan Yu Meng as Director.

 [See explanatory note (vi)] (Resolution 9)

NOTICE OF • **ANNUAL GENERAL MEETING**

- To approve the payment of Directors' fees of \$\$150,000 for the year ended 30 June 2022. (FY2021: S\$150,000) (Resolution 10)
- 12. To approve the final one-tier tax exempt dividend of 1.0 cent per ordinary share for the year ended 30 June 2022. (Resolution 11)
- 13. To re-appoint Deloitte & Touche LLP as the Auditors of the Company and to authorise the Directors to fix their remuneration. (Resolution 12)
- To transact any other ordinary business which may properly be transacted at an AGM.

AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following resolutions as Ordinary Resolutions, with or without modifications:

Authority to allot and issue shares in the capital of the Company

That pursuant to Section 161 of the Companies Act 1967 of Singapore (the "Companies Act") and Rule 806 of the Listing Manual ("Listing Manual") of the SGX-ST, authority be and is hereby given to the Directors of the Company to allot and issue:

- (a) shares; or
- (b) convertible securities; or
- additional convertible securities issued pursuant to Rule 829 of the Listing Manual (notwithstanding that the authority conferred by this Resolution may have ceased to be in force at the time the additional securities are issued, provided that the adjustment does not give the holder a benefit that a shareholder does not receive); or
- (d)shares arising from the conversion of the securities in (b) and (c) above (notwithstanding that the authority conferred by this Resolution may have ceased to be in force at the time the shares are to be issued),

in the Company (whether by way of rights, bonus or otherwise) at any time to such persons and upon such terms and conditions and for such purposes as the Directors may in their absolute discretion deem fit, provided that:

- the aggregate number of shares and convertible securities to be allotted and issued pursuant to this Resolution must be not more than 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company (calculated in accordance with (ii) below), of which the aggregate number of shares and convertible securities issued other than on a pro rata basis to existing shareholders must be not more than 20% of the total number of issued shares (excluding treasury shares) in the capital of the Company (calculated in accordance with (ii) below); and
- (subject to such manner of calculation as may be prescribed by the SGX-ST) for the purpose of determining the number of shares and convertible securities that may be issued pursuant to (i) above, the percentage of issued shares shall be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Resolution is passed, after adjusting for (a) new shares arising from the conversion or exercise of convertible securities; (b) new shares arising from exercising share options or vesting of share awards provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual; and (c) any subsequent bonus issue, consolidation or subdivision of shares. Adjustments in accordance with (a) or (b) are only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of this Resolution approving the mandate.

NOTICE OF ANNUAL GENERAL MEETING

Unless revoked or varied by ordinary resolution of the shareholders of the Company in general meeting, this Resolution shall remain in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is earlier.

[See explanatory note (vii)]

(Resolution 13)

16. Authority to issue shares under the Avi-Tech Restricted Share Plan 2021 (for all persons eligible to participate except for controlling shareholders & their associates)

That, pursuant to the Avi-Tech Restricted Share Plan 2021 (the "RSP 2021"), where the committee of Directors to be nominated by the Board to administer the RSP 2021 (the "Committee") have decided on the grant of any awards in accordance with the provisions of the RSP 2021, and where such awards relate to the issue of new ordinary shares in the capital of the Company ("RSP Shares"), then pursuant to Section 161 of the Companies Act 1967, the Directors of the Company be authorised and empowered to allot and/or issue from time to time such number of fully-paid RSP Shares as may be required to be allotted and/or issued pursuant to the vesting of the awards under the RSP 2021, provided always that the aggregate number of RSP Shares to be allotted and/or issued pursuant to the RSP 2021 and any other share-based schemes (if applicable), which the Company may have in place, shall not exceed fifteen per cent. (15%) of the total issued shares excluding treasury shares and subsidiary holdings in the capital of the Company from time to time.

Unless revoked or varied by ordinary resolution of the shareholders of the Company in general meeting, this Resolution shall remain in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is earlier.

(Resolution 14)

17. Authority to award shares under the Avi-Tech Restricted Share Plan 2021 (for controlling shareholders & their associates)

That, when the Committee has decided on the grant of any awards in accordance with the provisions of the RSP 2021 to the controlling shareholders and/or their associates (the "Participants"), the Directors of the Company be authorised and empowered to grant awards in accordance with the provisions of the RSP 2021 to the Participants, and where such awards relate to the issue of RSP Shares, then pursuant to Section 161 of the Companies Act 1967, the Directors of the Company be authorised and empowered to allot and/or to issue such number of fully-paid RSP Shares to the Participants as may be required to be allotted and/or issued pursuant to the vesting of the awards under the RSP 2021, provided always that the aggregate number of RSP Shares available to the Participants under the RSP 2021 shall not exceed twenty-five per cent. (25%) of all the shares available under the RSP 2021 and that the number of shares available to each of the Participants shall not exceed ten per cent. (10%) of all the shares available under the RSP 2021.

Unless revoked or varied by ordinary resolution of the shareholders of the Company in general meeting, this Resolution shall remain in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is earlier.

[See explanatory note (viii)]

(Resolution 15)

By Order of the Board Adrian Chan Pengee Company Secretary

Singapore 5 October 2022

NOTICE OF • **ANNUAL GENERAL MEETING**

Explanatory Notes:

- Resolution 2 Detailed information about Directors of the Company can be found in the "Board of Directors" section of the Company's Annual Report, including their current directorships in other listed companies and other principal commitments held. Please also refer to the section titled "Additional Information on Directors Seeking Election/Re-Election" appended to this Notice of Annual General Meeting for additional information on Mr Lim Eng Hong. Mr Lim Eng Hong will, upon re-election as a Director of the Company, continue to serve as Executive Director of the Company
- Resolution 3 Detailed information about Directors of the Company can be found in the "Board of Directors" section of the Company's Annual Report, including their current directorships in other listed companies and other principal commitments held. Please also refer to the section titled "Additional Information on Directors Seeking Election/Re-Election" appended to this Notice of Annual General Meeting for additional information on Mr Goh Chung Meng. Mr Goh Chung Meng will, upon re-election as a Director of the Company, remain as Chairman of the Remuneration and Nominating Committees, and a member of the Audit and Risk Committee, and will be considered independent for the purposes of Rule 704(8) of the Listing Manual. Save that he is an Independent Director of the Company, Mr Goh Chung Meng has no relationships including immediate family relationships with any of the Directors, the Company or its 5% shareholders.
- Resolutions 4 and 5 In respect of Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST, to ensure that the independence designation of a director who has served for more than 9 years is not affected, the Company is seeking to obtain shareholders' approval for Mr Goh Chung Meng's continued appointment as independent director (given that he has served as an independent director for more than 9 years, including the period of his directorship of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to its restructuring). Rule 210(5)(d)(iii) provides that continued appointment as independent director, after an aggregate period of more than 9 years on the board, must be sought and approved in separate resolutions by (A) all shareholders and (B) shareholders excluding directors, the chief executive officer, and their associates.
- Resolution 6 Detailed information about Directors of the Company can be found in the "Board of Directors" section of the Company's Annual Report, including their current directorships in other listed companies and other principal commitments held. Please also refer to the section titled "Additional Information on Directors Seeking Election/Re-Election" appended to this Notice of Annual General Meeting for additional information on Mr Michael Grenville Gray. Mr Michael Grenville Gray will, upon re-election as a Director of the Company, remain as Chairman of the Audit and Risk Committee, and a member of the Remuneration and Nominating Committees, and will be considered independent for the purposes of Rule 704(8) of the Listing Manual. Save that he is an Independent Director of the Company, Mr Michael Grenville Gray has no relationships including immediate family relationships with any of the Directors, the Company or its 5% shareholders.
- Resolutions 7 and 8 In respect of Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST, to ensure that the independence designation of a director who has served for more than 9 years is not affected, the Company is seeking to obtain shareholders' approval for Mr Michael Grenville Gray's continued appointment as independent director (given that he has served as an independent director for more than 9 years, including the period of his directorship of Avi-Tech Electronics Limited (now known as Avi-Tech Electronics Pte. Ltd.) prior to its restructuring). Rule 210(5)(d)(iii) provides that continued appointment as independent director, after an aggregate period of more than 9 years on the board, must be sought and approved in separate resolutions by (A) all shareholders and (B) shareholders excluding directors, the chief executive officer, and their associates.
- Resolution 9 Please refer to the section titled "Additional Information on Directors Seeking Election/Re-Election" appended to this Notice of Annual General Meeting for additional information on Mr Chan Yu Meng. Mr Chan Yu Meng will, upon election as a Director of the Company, be considered independent for the purposes of Rule 704(8) of the Listing Manual. Mr Chan Yu Meng has no relationships including immediate family relationships with any of the Directors, the Company or its 5% shareholders.
- Resolution 13 If passed, this Resolution will empower the Directors from the date of the above meeting until the date of the next AGM, to allot and issue shares and convertible securities in the Company up to an amount not exceeding 50% of the total number of issued shares in the capital of the Company (excluding treasury shares), of which up to 20% may be issued other than on a pro rata basis.
- (viii) Resolution 15 If passed, this Resolution will empower the Directors from the date of the above meeting until the date of the next AGM, subject to applicable law and the Listing Manual, to issue shares in the Company to the controlling shareholders and associates of the Company, granted by the Company under the RSP 2021. Shareholders who are eligible to participate in the RSP 2021 shall abstain from voting on Resolution 15.

- Printed copies of the Notice of Annual General Meeting will be sent to shareholders. Printed copies of the Annual Report for the financial year ended 30 June 2022 (the "FY2022 Annual Report") will not be sent to shareholders. Instead, the FY2022 Annual Report (which contains the Proxy Form) may be accessed at the Company's website at the URL http://avitech.listedcompany.com/#investors. The FY2022 Annual Report (which contains the Proxy Form) is also available on SGXNET at the URL https://avitech.listedcompany.com/#investors. The FY2022 Annual Report (which contains the Proxy Form) is also available on SGXNET at the URL https://www.sgx.com/securities/company-announcements. Nonetheless, a limited number of the FY2022 Annual Report (which contains the Proxy Form) has been printed for shareholders. Shareholders who wish to obtain a printed copy of the FY2022 Annual Report (which contains the Proxy Form) are to contact the Company at it@avi-tech.com.sg and make their own arrangements. to collect a copy of the FY2022 Annual Report from the registered office of the Company at 19A Serangoon North Avenue 5 Singapore 554859 (subject to availability).
- Save for members of the Company which are nominee companies or Relevant Intermediaries (as defined below), a member of the Company entitled to attend and vote at a meeting of the Company shall not be entitled to appoint more than two proxies to attend and vote on his behalf. Where a member of the Company (other than a Relevant Intermediary) appoints more than one proxy, he/she shall specify the proportion of his/her shareholdings to be represented by each proxy.
- Pursuant to Section 181 of the Companies Act, any member who is a Relevant Intermediary may appoint more than two proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him (which number and class of shares shall be specified). "Relevant Intermediary" means: (a) a banking corporation licensed under the Banking Act 1970 of Singapore or its wholly-owned subsidiary which provides nominee services and who holds shares in that capacity; (b) a capital markets services license holder which provides custodial services for securities under the Securities and Futures Act 2001 of Singapore and who holds shares in that capacity; or (c) the Central Provident Fund ("CPF") Board, established by the Central Provident Fund Act 1953 of Singapore, in respect of shares purchased on behalf of CPF investors.
- A proxy need not be a member of the Company.

NOTICE OF ANNUAL GENERAL MEETING

- 5. The Proxy Form must be submitted to the Company in the following manners:
 - a. if submitted by post, be deposited at registered office of the Company at 19A Serangoon North Avenue 5 Singapore 554859; or
 - b. if submitted electronically, be submitted via email in Portable Document Format (PDF) format to the Company at ir@avi-tech.com.sg.

in either case, at least **72 hours** before the time fixed for holding the Annual General Meeting. A member who wishes to submit the Proxy Form must first complete and sign the Proxy Form, before submitting it by post to the address provided above, or by scanning and submitting it by way of electronic means via email to the email address provided above.

- 6. The instrument appointing a proxy or proxies must be under the hand of the appointor or his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its Common Seal or under the hand of its attorney or a duly authorized officer.
- 7. The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of a member whose shares are entered against his/her name in the Depository Register, the Company may reject any instrument of proxy lodged if such member, being the appointor, is not shown to have shares entered against his name in the Depository Register 72 hours before the time appointed for holding the meeting, as certified by The Central Depository (Pte) Limited to the Company.
- 8. A Depositor's name must appear on the Depository Register maintained by The Central Depository (Pte) Limited as at 72 hours before the time fixed for holding the meeting in order for the Depositor to be entitled to attend and vote at the meeting.
- 9. CPF or SRS investors who wish to vote should approach their respective CPF Agent Banks or SRS Operators to submit their votes by 11:00 a.m. on 14 October 2022.
- 10. Members will be able to ask questions during the Annual General Meeting. Nevertheless, all members may submit questions related to the resolutions to be tabled for approval at the Annual General Meeting by email to ir@avi-tech.com.sg, or in hard copy by post to the office of the registered office of the Company at 19A Serangoon North Avenue 5 Singapore 554859, by no later than 11:00 a.m. on Thursday, 13 October 2022. The Company will endeavour to respond to the substantial and relevant questions by 20 October 2022 and publish its responses on SGXNET and on the Company's website at the URL http://avitech.listedcompany.com/#investors.

PERSONAL DATA PRIVACY:

Photographic, sound and/or video recordings may be made by the Company at the meeting for record keeping and to ensure the accuracy of the minutes prepared. Accordingly, your personal data (such as your name, your presence at this meeting and any questions you may raise or motions you propose/second) may be recorded by the Company for such purpose. The Company may upon the request of any shareholder and in accordance with the Companies Act, provide such shareholder with a copy of the minutes of meeting, which may contain your personal data as explained herein. By participating in the meeting, raising any questions and/or proposing/seconding any motion, you will be deemed to have consented to have your personal data recorded and dealt with for the purposes and in the manner explained herein.

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the meeting of the Company and/or any adjournment thereof, a member of the Company thereby: (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the meeting (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

NOTICE OF • ANNUAL GENERAL MEETING

Additional Information on Directors Seeking Election/Re-Election

Pursuant to Rule 720(6) of the Listing Manual of the SGX-ST

Notes:

- 1. Printed copies of the Notice of Annual General Meeting will be sent to shareholders Printed copies of the Annual Report for the financial year ended 30 June 2022 (the "FY2022 Annual Report") will not be sent to shareholders. Instead, the FY2022 Annual Report (which contains the Proxy Form) may be accessed at the Company's website at the URL http://avitech.listedcompany.com/#investors. The FY2022 Annual Report (which contains the Proxy Form) is also available on SGXNET at the URL https://www.sgx.com/securities/company-announcements. Nonetheless, a limited number of the FY2022 Annual Report (which contains the Proxy Form) has been printed for shareholders. Shareholders who wish to obtain a printed copy of the FY2022 Annual Report (which contains the Proxy Form) are to contact the Company at ir@avi-tech.com.sg and make their own arrangements to collect a copy of the FY2022 Annual Report from the registered office of the Company at 1948-Serangoon North Avenue 5 Singapore 554859 (subject to availability).
- 2. Please insert the total number of shares held by you. If you have shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act 2001 of Singapore) (the "**SFA**"), you should insert that number of shares. If you have shares registered in your name in the Register of Members, you should insert that number of shares. If you have shares entered against your name in the Depository Register and the Register of Members, you should insert the aggregate number of shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the shares held by you.
- 3. Save for members of the Company which are nominee companies or Relevant Intermediaries (as defined below), a member of the Company entitled to attend and vote at a meeting of the Company shall not be entitled to appoint more than two proxies to attend and vote on his behalf. Where a member of the Company (other than a Relevant Intermediary) appoints more than one proxy, he/she shall specify the proportion of his/her shareholdings to be represented by each proxy.
- 4. Pursuant to Section 181(1C) of the Companies Act 1967 of Singapore (the "Companies Act"), any member who is a Relevant Intermediary may appoint more than two proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him (which number and class of shares shall be specified). "Relevant Intermediary" means: (a) a banking corporation licensed under the Banking Act 1970 of Singapore or its wholly-owned subsidiary which provides nominee services and who holds shares in that capacity; (b) a capital markets services license holder which provides custodial services for securities under the SFA and who holds shares in that capacity; or (c) the Central Provident Fund ("CPF") Board, established by the Central Provident Fund Act 1953 of Singapore, in respect of shares purchased on behalf of CPF investors.
- 5. A proxy need not be a member of the Company.
- 6. The Proxy Form must be submitted to the Company in the following manners:
 - a. if submitted by post, be deposited at registered office of the Company at 19A Serangoon North Avenue 5 Singapore 554859; or
 - b. if submitted electronically, be submitted via email in Portable Document Format (PDF) format to the Company at ine either case, at least 72 hours before the time fixed for holding the Annual General Meeting. A member who wishes to submit the Proxy Form must first complete and sign the Proxy Form, before submitting it by post to the address provided above, or by scanning and submitting it by way of electronic means via email to the email address provided above.
- 7. The instrument appointing a proxy or proxies must be under the hand of the appointor or his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its Common Seal or executed under the hand of its attorney or a duly authorized officer.
- 8. Where an instrument appointing a proxy or proxies is signed on behalf of the appointor by an attorney, the letter or power of attorney or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument of proxy, failing which the instrument may be treated as invalid.
- 9. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at the meeting, in accordance with Section 179 of the Companies Act.
- 10. The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of a member whose shares are entered against his/her name in the Depository Register, the Company may reject any instrument of proxy lodged if such member, being the appointor, is not shown to have shares entered against his name in the Depository Register 72 hours before the time appointed for holding the meeting, as certified by The Central Depository (Pte) Limited to the Company.
- 11. A Depositor's name must appear on the Depository Register maintained by The Central Depository (Pte) Limited as at 72 hours before the time fixed for holding the meeting in order for the Depositor to be entitled to attend and vote at the meeting.

Personal Data Privacy:

Photographic, sound and/or video recordings may be made by the Company at the meeting for record keeping and to ensure the accuracy of the minutes prepared. Accordingly, your personal data (such as your name, your presence at this meeting and any questions you may raise or motions you propose/second) may be recorded by the Company for such purpose. The Company may upon the request of any shareholder and in accordance with the Companies Act, provide such shareholder with a copy of the minutes of meeting, which may contain your personal data as explained herein. By participating in the meeting, raising any questions and/or proposing/seconding any motion, you will be deemed to have consented to have your personal data recorded and dealt with for the purposes and in the manner explained herein.

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the meeting of the Company and/or any adjournment thereof, a member of the Company thereby: (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the meeting (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.
